Stiller,2005-01-01 Preachers in their call to preach the Scriptures are not only charged with the responsibility of speaking its truth but of speaking in such a way that people of this age and culture understand To do this the preacher builds a bridge between today's people and the gospel of both testaments For some this task is more difficult than for others Preaching to those living in an inner city housing project is far removed from an outpost mission in the two thirds world Each community has its own way of thinking and attaches different values to symbols of its own making For those called preach to a generation raised on MTV and late night comedians or those rooted in various economic cultures from government sponsored jobs overseen by union bosses to entrepreneurial dot com companies or generations stretching from high school students to freedom fifty fivers the task is enormous When one adds to that the complexity of a radical shift in underlying intellectual and cultural assumptions the task of preaching becomes even more complicated *Layman's (Laywoman's) Study of the*

Parables of Jesus Christ Mary Bullock Carter,2011-02-10 The Parables are indeed a good way to know Jesus on a more personal level By doing more than just reading them STUDYING THEM you can learn the thoughts that were close to His heart You can become more familiar with the things He thought were important You can realize that He not only expects you to walk in God's will but you will learn that He has told you how to do that He never expected you to live to a certain standard without telling you how to accomplish it All we have to do is study His word It is His promise that all things are possible even walking in His will **All the Parables of the Bible** Herbert Lockyer,1963 A study and analysis of the more than 250 parables in Scripture

Understanding the 40 Parables of Jesus Christ K. E. Cornerstone, 2015-05-15 A Unique Approach Genre Context and Culture Understanding the 40 Parables of Jesus Christ takes the approach of understanding Jesus parables by examining the genre scriptural context and historical culture The goal of this approach is to reveal theology from the Bible as opposed to trying to find verses to support a belief This is the difference between letting the Bible tell us what is true versus someone trying to find evidence for what they want to believe When we allow the Bible to teach us what to believe we can better set aside our own biases and become more receptive to God's truths Importance of Context and Culture Parables are a particular genre of literature that are characterized by typically having only one meaning The meaning of Jesus parables can generally be determined by the point Jesus makes to introduce or end them However sometimes the point is obscure due to culture or

the meaning is missed due to a failure to carefully consider the context

Learn From the Greatest Teacher This book lists all the parables of Jesus Christ including supplemental information necessary for understanding them Each parable has a summary of what is being said along with the meaning Jesus Christ is teaching Some of the questions that this book will answer include Why does Jesus speak in parables What is the meaning of the talents in the talents pounds parable What is the real focus of the prodigal son What did Jesus mean by treasures new and old Who is the man without a wedding robe in the wedding banquet parable Why is the dishonest manager praised for his shrewdness What does Jesus really mean by counting the costs The answers to these questions and more are answered by carefully examining the contextual and historical evidence Also included is a chapter revealing scriptural evidence that proves that Jesus Christ is God as well as important supplementary material for understanding these parables *Christian Faith and Life* ,1928 **Matthew's Memoirs of Jesus Christ: Or a Commentary on the Gospel According to Matthew. By James Morison ... Fourth Edition. [With the Text.]** ,1875 **The Parables of Jesus** William Barclay,1999-05-01 William Barclay brings to these best known stories in the world new force and significance for the modern reader Each chapter analyzes an individual parable identifies its theme explains it in the light of the language and customs of the ancient world and clearly interprets its meaning for us today The William Barclay Library is a collection of books addressing the great issues of the Christian faith As one of the world's most widely read interpreters of the Bible and its meaning William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ **More Than a Clever Story** Brian Onken,2024-05-07 Jesus parables They are widely known or at least often referenced But does that mean they are well understood Having slipped into the lingua franca of our day we could be missing some of what He was communicating If familiarity breeds contempt perhaps our sense that we know these stories insulates us from what Jesus was saying about life with God If Jesus intended His parables to be much more than helpful illustrations or memorable word pictures we might need to hear them in a fresh way We could be overlooking what is essential if we read His parables simply as clever stories Like a chef who seasons the meal in such a way that the distinctive flavors of each element is enhanced Brian invites the reader into an invigorating and fresh taste of what Jesus says in His parables Reading each parable attentive to Jesus own words and the context in which these stories are found you ll hear the voice of the Savior in renewed ways No longer will you think of His parables as clever stories but you ll find them to be life giving words from Jesus Endorsements The parables of Jesus are among the most quoted and misunderstood stories in the world In this book Brian helps us take a second and third look at these rich tales to find something deeper and more relevant than we could imagine The real truths behind these stories are there for us to discover by reading a little more carefully And the light they shed as we read attentively can change our lives Paul Clark Elder Summit Church Senior Consultant Finding Great People In all my years of ministry and biblical study I have yet to meet someone with a purer and stronger love for the Word of God The Lord consistently uses the way that Brian writes and teaches to bring me

into a deeper understanding of biblical truth What is even better is that the Spirit has gifted him to do so in such a way that it leaves you hungry and excited for more more time with the Lord more reading of the Scriptures and more growth and transformation into the likeness of Jesus This treatment of the parables does not disappoint it is yet another example of Brian using his spiritual gifts for the building up and equipping of the body of Christ Josh Pederson Assistant Director 3Gen Ministries Founder Vox Bivium Discipleship School The Congregationalist ,1919
