The Monuments of Upper Egypt Auguste Mariette,2015-06-13 Excerpt from The Monuments of Upper Egypt A Translation of the Itin raire De La Haute gypte of Auguste Mariette Bey An unpretending little volume was published in 1869 under the title of Itineraire des Invites de S A le Kh dive aux F tes de l Inauguration du Canal de Suez The very title of the work is a record of the great historical event which gathered together many distinguished personages in Egypt The Itineraire met with all the favour it deserved and a first edition having been rapidly exhausted a second one with some slight alterations appeared in 1872 It soon became evident however that as the majority of regular tourists on the Nile belong to the two great English speaking nations an English edition of the Itineraire would not prove otherwise than acceptable About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

My task I need scarcely say has been a pleasant one and I shall feel amply repaid for the trouble incurred if I can but think that I have in the very remotest degree contributed to popularize Egypt's wonders and to bring them and their English and American visitors into closer intercourse.
