**Assured Self, Restive Self** Prasanta Chakravarty, 2023-07-30 The book explores the encounter of the self with situations of crisis from diverse disciplinary and cultural perspectives from antiquity to contemporary times A crisis is at once a historically situated phenomenon and a recurring idea of endangerment or a breakdown in creaturely living By making our choices stark and difficult crisis opens up the possibility for genuinely fresh and unexpected beginnings At the most fundamental level crisis is the disintegration of relationality among creatures In fact crisis is a battle of attrition with and within selfhood It has the potential to turn into a norm in everyday interaction It then stops being an exception and becomes the very condition of our living Through the rubrics of the assured and the restive the volume addresses how selfhood encounters and negotiates concentric circles of crisis in life and literature Does the idea of crisis allow us to formulate the idea of self in a particular way How do certain sources and resources within the self stoic or heroic political and creative come into being during crisis While some essays delve into questions of repose and sensuality by highlighting specific cases and trajectories from the subcontinent others deal with questions of mythology politics and art in a wider sense One essay directly addresses the core literary question of the uncanny and its relation to selfhood While specific concerns illuminate each essay the volume speaks with a collective global sense of crisis that faces humanity now and tentatively offers some prospects to deal with it

*Thomas Bernhard's Afterlives* Olaf Berwald, Stephen D. Dowden, Gregor Thuswaldner, 2020-10-01 In his prose fiction memoirs poetry and drama Thomas Bernhard 1931 1989 one of the 20th century s most uniquely gifted writers created a new and radical style seemingly out of thin air His books never tell a story in the received sense Instead he rages on the page he rants and spews vitriol about the moral failures of his homeland Austria in the long amnesiac aftermath of the Second World War Yet this furious prose seemingly shapeless but composed with unparalleled musicality and taxing by conventional standards has been powerfully echoed in many writers since Bernhard s death in 1989 These explorers have found in

Bernhard's singular accomplishment new paths for the expression of life and truth Thomas Bernhard's *Afterlives* examines the international mobilization of Bernhard's style. Writers in Italian, German, Spanish, Hungarian, English, and French have succeeded in making Bernhard's Austrian vision an international vision. This book tells that story *Food from Northern Laos* Dorothy Culloty, 2010. The little known cultures and cuisine of northern Laos are reflected in the recipes of its local ethnic groups and Luang Namtha Province's premiere ecotourism lodge. Eighty-eight dishes from Lao Kmhmu, Tai Dam, Tai Yuan, Tai Lue, and Akha are presented in clear, simple recipes. Back cover **Echoes and Mirrors** Monika Fludernik, 2000. This study is the first monograph on the contemporary British novelist and playwright Gabriel Josipovici (1940) author of fourteen novels and several dozens of short stories, some thirty plays for radio and the stage, and of a considerable oeuvre in literary criticism. Gabriel Josipovici, also known as a reviewer for the *Times Literary Supplement*, is now one of the foremost British writers who continue the tradition of Modernism. Josipovici also figures among the most prominent Jewish authors writing in the UK today. This study includes an interview with the author and presents an overview of Josipovici's creative oeuvre. Close readings of a selection of short stories, novels, plays, and radio plays are followed by an attempt to place Josipovici on the map of present-day British literature.

**Kalaya's Southern Thai Kitchen: A Cookbook** Nok Suntaranon, 2024-11-05. Bring the bold, spicy, beautiful world of Southern Thai cooking to your kitchen through recipes and stories from the James Beard Award-winning chef of Kalaya in Philadelphia. Growing up in the tropical region of Southern Thailand, Nok Suntaranon helped her mother pound the fresh curry pastes she would sell at their local market. But decades later, after making a life in the United States, she returned home and saw that the food had become watered down, sweeter, and more geared toward a tourist's palate. Her life mission became clear: to preserve the flavors of Southern Thai food as she remembers them and to show American home cooks how delicious, intricately flavored, and doable Thai cooking is. This is the cuisine of her homeland, both balanced and fiery, rustic or refined. From peppery fish sauce, garlic Hat Yai fried chicken to an extra-fresh extra-herbal green curry to a celebratory turmeric sticky rice with savory coconut shrimp topping, this is Thai food as you've probably never seen it. With easy-to-follow instructions, beginner-friendly tips, suggested recipe pairings, and stunning on-location photography, Kalaya's Southern Thai Kitchen allows all cooks to bring a piece of Thailand into their kitchens.
