Moonlight War:

The Moonlight War Terence O'Brien, 1990 **The Moonlight War** Terence O'Brien, 1987 **The Special Operations Executive (SOE) in Burma** Richard Duckett, 2017-10-30 In the mountains and jungles of occupied Burma during World War II British special forces launched a series of secret operations assisted by parts of the Burmese population The men of the SOE trained in sabotage and guerrilla warfare worked in the jungle deep behind enemy lines to frustrate the puppet Burmese government of Ba Maw and continue the fight against Hirohito's Japan in a theatre starved of resources Here Richard Duckett uses newly declassified documents from the National Archives to reveal for the first time the extent of British special forces involvement from the 1941 operations until beyond Burma's independence from the British Empire in 1948 Duckett argues convincingly that Operation Character and Operation Billet large SOE missions launched in support of General Slim's XIV Army offensive to liberate Burma rank among the most militarily significant of the SOE's secret missions Featuring a wealth of photographs and accompanying material never before published including direct testimony recorded by veterans of the campaign and maps from the SOE files *The SOE in Burma* tells a compelling story of courage and struggle in during World War II **The Moonlight War** S. K. S. Perry, 2015-07-25 Three caravans have vanished traversing the Cowcheanne Way The legendary Tahsis platoon warriors thought by most to be invincible are dispatched to investigate and are never heard from again Rumours of native uprisings and bandit armies grow wilder and more widespread every day while the more devout whisper about the return of the Horde a mythic foe from ages past The truce between the warring Kael tii and Ashai nations is put to the test when a new caravan is outfitted and they are forced to travel The Way together As an ancient evil is unleashed upon them a group of heroes friend and foe alike must band together for survival When the true nature of their mission slowly comes to light the growing distrust between the Kael tii and Ashai camps threatens to tear the caravan apart Can they set aside their differences in time to combat the menace that imperils them all or are they doomed to join the ranks of lost souls claimed by the cursed Cowcheanne Way **MI6 and the Machinery of Spying** Philip Davies, 2004-06 Philip H J Davies is one of a growing number of British academic scholars of intelligence but the only academic to approach the subject in terms of political science rather than history He wrote his PhD at the University of Reading on the topic Organisational Development of Britain's Secret Intelligence Service 1909-1979 and has published extensively on intelligence and defence issues After completing his PhD he taught for a year and a half on the University of London external degree programme in Singapore before returning to the UK to lecture at the University of Reading for two years He was formerly Associate Professor of International and Security Studies at the University of Malaya in Malaysia where he not only conducted his research but provided a range of training and consultancy services to the Malaysian intelligence and foreign services He is now based at Brunel University UK *Harper's New Monthly Magazine*, 1894 **Harper's New Monthly Magazine** Henry Mills Alden, 1893 Harper's informs a diverse body of readers of cultural business political literary and

scientific affairs The Phantoms of the Foot-Bridge Charles Egbert Craddock, 2020-08-14 Reproduction of the original *The Phantoms of the Foot Bridge* by Charles Egbert Craddock *The Phantoms of the Foot-bridge* Charles Egbert Craddock, 1895 **The Phantoms of the Foot-Bridge, and Other Stories** Mary Noailles Murfree, 2021-04-25 In *The Phantoms of the Foot Bridge and Other Stories* Mary Noailles Murfree deftly weaves a tapestry of Appalachian life and folklore presenting a rich collection of tales steeped in the region's haunting beauty and cultural idiosyncrasies. The stories explore themes of love, loss, and the supernatural with a lyrical prose style reminiscent of both Romantic and Gothic literary traditions. Murfree's work is notable for its vivid imagery and the authentic voice she gives to her characters, reflecting the complexities of rural life against the backdrop of a rapidly changing America in the late 19th century. Mary Noailles Murfree, often referred to as Charles Egbert Craddock, was one of the first female authors to gain recognition for her depictions of the Southern Appalachian region. Born in Tennessee, her close association with the landscape and its people deeply informed her writing. Murfree's experiences in the Smoky Mountains cultivated her ability to blend local dialects and folk tales, allowing her to explore broader social themes while remaining true to her roots. Readers seeking a profound exploration of the Southern Gothic tradition will find in Murfree's collection an engaging and illuminating experience. *The Phantoms of the Foot Bridge* promises not only to enchant those drawn to the eerie and the ephemeral but also to enrich their understanding of an often overlooked dimension of American literature.

The Radical Element Jessica Spotswood, 2018-03-13 In an anthology of revolution and resistance, a sisterhood of YA writers shines a light on a century and a half of heroines on the margins and in the intersections. To respect yourself to love yourself should not have to be a radical decision. And yet it remains as challenging for an American girl to make today as it was in 1927 on the steps of the Supreme Court. It's a decision that must be faced when you're balancing on the tightrope of neurodivergence, finding your way as a second-generation immigrant, or facing down American racism even while loving America. And it's the only decision when you've weighed society's expectations and found them wanting. In *The Radical Element*, twelve of the most talented writers working in young adult literature today tell the stories of girls of all colors and creeds standing up for themselves and their beliefs, whether that means secretly learning Hebrew in early Savannah, using the family magic to pass as white in 1920s Hollywood, or singing in a feminist punk band in 1980s Boston. And they're asking you to join them. Original stories by Dahlia Adler, Erin Bowman, Dhonielle Clayton, Sara Farizan, Mackenzi Lee, Stacey Lee, Anna Marie McLemore, Meg Medina, Marieke Nijkamp, Megan Shepherd, Jessica Spotswood, Sarvenaz Tash.

He believes that the competitiveness and isolation of the different outfits led to unnecessary duplication of long perilous flights. Fierce tropical storms and hazardous terrain further compounded the difficulties of making contact with the SOE and M16 groups in enemy occupied territory. **Ballads of the Forty-five** Walter Clifford Meller, 1914
