Doctrinal treatises. Moral treatises* Philip Schaff,1887 **On the Holy Trinity** Saint Augustine (Bishop of Hippo.),Philip Schaff,1988 **The Moral Treatises** St. Augustine of Hippo,2018 The moral treatises contain much that will instruct and interest the reader while some views will appear strange to those who fail to distinguish between different ages and different types of virtue and piety Augustine shared with the Greek and Latin fathers the ascetic preference for voluntary celibacy and poverty He accepted the distinction which dates from the second century between two kinds of morality a lower morality of the common people which consists in keeping the ten commandments and a higher sanctity of the elect few which observes in addition the evangelical counsels so called or the monastic virtues He practiced this doctrine after his conversion He ought to have married the mother of his son but in devoting himself to the priesthood he felt it his duty to remain unmarried according to the prevailing spirit of the church in his age His teacher Ambrose and his older contemporary Jerome went still further in the enthusiastic praise of single life We must admire their power of self denial and undivided consecration though we may dissent from their theory Moral Treatises of Saint Augustin Saint Augustine of Hippo,Aeterna Press, St Augustin speaks of his work On Continence in Ep 231 Ad Darium Comitem See vol 1 of this edition p 584 P S Possidius Ind c 10 mentions it and it is cited in the Collectanea of Bede or Florus and by Eugypius Erasmus is therefore wrong in ascribing it to Hugo on the ground of the style which is not unlike that of the earlier discourses It is evidently a discourse and probably for that reason unnoticed in the Retractations The Manichaeian heresy is impugned after the manner of his early works Abridged from Benedictine ed vol vi Aeterna Press Moral Treatises Saint Augustine,Saint Augustine of Hippo,2015-06-07 This collection of the Moral Treatises of Saint Augustine has all of the following works On Continence On the Good of Marriage Of Holy Virginity On the Good of Widowhood On Lying Against Lying To Consentius Of the Work of Monks On Patience On Care to be had for the Dead *A Select Library Of The Nicene And Post-nicene Fathers Of The Christian Church* Saint Augustine (Bishop of Hippo),Philip Schaff,Saint John Chrysostom,2018-10-14 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation
