Springer, 2004-06 What price would you put on being certain about the moral implications of your every action What peace of mind do you think it would lend To that end Moral Armor is just as it sounds spiritual protection from the irrational inconsistent and oppressive beliefs intertwined throughout our culture With new precision it topples ancient barriers to fulfillment in life and eliminates moral confusion providing Man with the most potent form of certainty moral clarity that is everyday useful Moral Armor is the summation of over ten years spent filtering crucial world experience of good and evil through a deeply studied philosophical framework The result defines explicitly and simply their true identity and the psychological motives driving the two sides Its scope spans from personal motives and relationships to politics and international finance uncovering how good and evil are extrapolated throughout the full range of human action By revealing the true nature of good and evil Moral Armor eliminates the stress guilt hesitation and fear typically associated to moral judgment Through Moral Armor you will acquire a spectacular moral power that once gained you couldn't imagine living without and being clearly anchored to fact will be good for all time Reviews Moral Armor by Ronald E Springer is a philosophical psychological and spiritual treatise discussing what constitutes morality in a day and age when so many conflicting human ideologies often disregard what seems to be basic human decency Emphasizing the importance of a moral code set down by rational standards Moral Armor informatively explores disturbing contemporary issues and then offers means with which to select one's actions based on right and wrong as best as circumstances can allow unclouded by the endless and often self contradictory clamor of outside forces Thoughtful and thought provoking Moral Armor is very highly recommended reading Midwest Book Review
