Moral Responsibility Carlos Moya, 2006-09-27 Presenting the major arguments for scepticism about moral responsibility and subjecting them to sustained and penetrating critical analysis this text lays out the intricate dialectic involved in these issues in a helpful and accessible way **Agency, Freedom, and Moral Responsibility** Andrei Buckareff, Carlos

Moya, Sergi Rosell, 2016-04-29 In recent years there has been a resurgence of interest in problems related to human agency and responsibility by philosophers and researchers in cognate disciplines The present volume brings together original contributions by leading specialists working in this vital field of philosophical inquiry The contents represent the state of the art of philosophical research on intentional agency free will and moral responsibility The volume begins with chapters on the metaphysics of agency and moves to chapters examining various problems of luck The final two sections have a normative focus with the first of the two containing chapters examining issues related to responsible agency and blame and the chapters in the final section examine responsibility and relationships This book will be of interest to researchers and students interested in both metaphysical and normative issues related to human agency **Mind, Values, and Metaphysics** Anne

Reboul, 2014-08-06 There are three themed parts to this book values ethics and emotions in the first part epistemology perception and consciousness in the second part and philosophy of mind and philosophy of language in the third part Papers in this volume provide links between emotions and values and explore dependency between language meanings and concepts and topics such as the liar's paradox reference and metaphor are examined This book is the second of a two volume set that originates in papers presented to Professor Kevin Mulligan covering the subjects that he contributed to during his career This volume opens with a paper by Moya who proposes that there is an asymmetrical relation between the possibility of choice and moral responsibility The first part of this volume ends with a description of foolishness as insensitivity to the values of knowledge by Engel Marconi's article makes three negative claims about relative truth and Sundholm notes shortcomings of the English language for epistemology amongst other papers This section ends with a discussion of the term subjective character by Nida R melin who finds it misleading The third part of this volume contains papers exploring topics such as the mind body problem whether theory of mind is based on simulation or theory and K nne shows that the most common analyses of the so called Liar paradox are wanting At the end of this section Rizzi introduces syntactic cartography and illustrates its use in scope discourse semantics This second volume contains twenty nine chapters written by both high profile and upcoming researchers from across Europe North America and North Africa The first volume of this set has two main themes metaphysics especially truth making and the notion of explanation and the second theme is the history of philosophy with an emphasis on Austrian philosophy **A Reformed View of Freedom** Michael Patrick

Preciado, 2019-06-26 Reformed Christians do not believe in free will This is a common assertion today and it is completely false The Reformed tradition does advocate free will just not libertarian free will A Reformed View of Freedom The

Compatibility of Guidance Control and Reformed Theology explains how the Reformed tradition articulated its view of human freedom and moral responsibility in terms of rational spontaneity. It shows how the Reformed view of rational spontaneity is compatible with contemporary compatibilist and semi compatibilist views especially that of guidance control. This work addresses a number of pressing issues in the current academic climate. Is Reformed theology theological determinism? Is it compatibilism? Did Jonathan Edwards part ways with the Reformed tradition? What is the relationship between Reformed theology and contemporary compatibilist and semi compatibilist positions in analytic philosophy? This book addresses these questions by exegeting the classic Reformed confessions, catechisms and Reformed scholastics. It sets them in relation to contemporary analytic philosophy. It is an exercise in analytic theology. The reader will come away with a better understanding of how the Reformed viewed free will and moral responsibility in light of contemporary analytic philosophy.

The Oxford Handbook of Free Will Robert Kane, 2011-07-27 A guide to current work on free will and related subjects. The focus is on writings of the past 40 years in which there has been a resurgence of interest in traditional issues about the freedom of the will in the light of new developments in the sciences, philosophy and humanistic studies. **The**

Philosopher's Index, 2008 Vols for 1969 include a section of abstracts. A Handbook of Moral Theology: Man's duties to his fellowmen Antony Koch, 1924 **CURRENT CONTENTS**, 1996 **Crítica**, 2011 **Free Will** Kevin

Timpe, 2008-09-23 An important and engaging book on a key argument in contemporary debates about free will and moral responsibility. 2009, □□□□ *Social Theory and Practice*, 2019 **The Ethics of Forgiveness** Christel Fricke, 2011 We are often pressed to forgive or in need of forgiveness. Wrongdoing is common. Even after a perpetrator has been taken to court and punished, forgiveness still has a role to play. How should a victim and a perpetrator relate to each other outside the courtroom and how should others relate to them? Communicating about forgiveness is particularly urgent in cases of civil war and crimes against humanity inside a community where if there were no forgiveness the community would fall apart. Forgiveness is governed by social and in particular by moral norms. Do those who ask to be forgiven have to fulfil certain conditions for being granted forgiveness? And what does the granting of forgiveness consist in? We may feel like refusing to forgive those perpetrators who have committed the most horrendous crimes. But is such a refusal justified even if they repent their crimes? Could there be a duty for the victim to forgive? Can forgiveness be granted by a third party? Under which conditions may we forgive ourselves? The papers collected in the present volume address all these questions exploring the practice of forgiveness and its normative constraints. Topics include the ancient Chinese and the Christian traditions of forgiveness, the impact of forgiveness on the moral dignity and self respect of the victim, self forgiveness, the narrative of forgiveness as well as the limits of forgiveness. Such limits may arise from the personal, historical or political conditions of wrongdoing or from the emotional constraints of the victims. *Le pouvoir d'agir autrement* Ghislain Le Gousse, 2017 Depuis les années 1950 l'antique question du libre arbitre fait l'objet d'un vif débat en philosophie antique. Comme on pouvait s'y

attendre les philosophes issus de ce courant ne se sont pas contentés de reposer classiquement le problème de la liberté métaphysique ils l'ont aussi reposé sous de nouveaux frais en étudiant avec précision les liens logiques entre les concepts qu'il comprend. Leurs discussions ont abouti des versions perfectionnées d'arguments anciens de nouveaux arguments pour des positions bien connues et peut être aussi de nouvelles positions. Cet essai défend l'idée que la liberté morale c'est-à-dire la liberté requise par la responsabilité morale consiste dans un pouvoir d'agir autrement incompatible avec le déterminisme causal. Cette position classique a été doublement remise en question dans le débat contemporain sur le libre arbitre selon certains la responsabilité morale ne requiert pas le pouvoir d'agir autrement selon d'autres le déterminisme causal n'exclut pas le pouvoir d'agir autrement. De puissants arguments ont été avancés à l'appui de ces deux thèses. Le but de ce livre est de les exposer et de les réfuter.

Education Department, 1924 *The Philosophical Quest: A Cross-Cultural Reader* Gail M. Presbey, Karsten J. Struhl, Richard Olsen, 1999-10-12 This is a true cross cultural anthology which presents philosophers from different cultures in dialogue with one another. The text includes selections from both traditional and contemporary Western and non Western philosophy African American Latin American and feminist philosophers as well as Asian African Native American and Islamic philosophers. The reader is organized by topic and highlights the similarities and differences between Western and Non Western philosophers. It arranges selections so that authors speak to one another across cultures. Chapter introductions and section introductions within chapters guide students. The second edition includes new sections on non Western epistemology the question of life after death Rawls and criticism and understanding others experience and points of view. The authors have revised the more difficult sections of chapter 1 and have included more African American and female philosophers and more variety in the sections on social philosophy.
