## **Morality And Situation Ethics:**

**Situation Ethics** Joseph F. Fletcher, 1966 A manifesto of individual freedom and individual responsibility elaborated within an ethic of love which extricates modern man from rigid archaic rules and codes Proclaiming that any moral system is too shallow and petty to provide answers the author outlines a methodology for decision making which presupposes individual responsibility and declares that every man must decide for himself what is right Rising above any creed this renewed morality of loving concern is based on agape the love of which only God is capable but which every man must endeavor to emulate Cover notes

**Fletcher's Situation Ethics** David Mills Daniel, 2013-01-25 This book discusses Fletcher's situation ethics which basically states that sometimes other moral principles can be cast aside in certain situations if love is best served It is one of the main ethical theories studied in all introductory courses on Christian ethics

**Situation Ethics** Joseph F. Fletcher, 2012-03 It is possible though not easy to forgive Professor Fletcher for writing his book for he is a generous and lovable man It is harder to forgive the SCM Press for publishing it As Professor Dunstan's remarks in The Guardian show Situation Ethics is not a book which can be read in tranquillity It arouses vigorous feelings for or against for its thesis is a controversial one While some argue that Dr Fletcher is a ready made devil's advocate Church of England Newspaper the Bishop of Woolwich on the basis of an earlier article described Dr Fletcher's approach as the only ethic for man come of age To resist it in the name of religious sanctions will not stop it it will only ensure that the form it takes will be anti Christian Like many philosophers Frederick Copleston had his reservations but concluded that Dr Fletcher's belief that in Christian ethics love is the supreme value seems to me unquestionably valid In its new paperback form this book is certain of continued attention in the current discussion of ethical problems Joseph Fletcher was Professor of Social Ethics at the Episcopal Theological School Cambridge Mass His other book on this theme is Moral Responsibility Situation Ethics at Work 25s

**The Morality Gap** Erwin W Lutzer, 1972-01-01 With the conviction that the gap between traditional morality and the avant garde approach is widening Erwin W Lutzer offers this precise easy to understand and knowledgeable critique of situation ethics This presentation adds new insights to the discussion of morality and the ethic of love Lutzer pinpoints the fallacies of the situationalist's philosophy and offers a biblical alternative that clearly recognizes and deals with moral conflicts
