## **More Graffiti Devotions For Guys:**

**Graffiti** John David Schmidt, Joey O'Connor, 1998 This popular devotional shows guys what it takes to become the men God wants them to be. Thought provoking questions, practical applications and prayer ideas help them put Bible principles into practice and daily readings give insight into issues such as getting turned down for a date, peer pressure, self control and more.

**Graffiti** J. David Schmidt, 1983 At more than 78 million strong, the Millennials (those born between 1980 and 2000) have surpassed the Boomers as the larger and more influential generation in America. Now as its members begin to reach adulthood, where the traits of a generation really take shape, best selling research author Thom Rainer (Simple Church) and his son Jess (a Millennial born in 1985) present the first major investigative work on Millennials from a Christian worldview perspective. Sure to interest even the secularists who study this group, The Millennials is based on 1200 interviews with its namesakes that aim to better understand them personally, professionally and spiritually. Chapters report intriguing how and why findings on family matters, they are closer knit than previous generations, their desire for diversity, consider the wave of mixed race and ethnic adoptions, Millennials and the new workplace, their attitude toward money, the media, the environment and perhaps most tellingly, religion. The authors close with a thoughtful response to how the church can engage and minister to what is now in fact the largest generation in America's history.

**More Graffiti** John David Schmidt, 1984 Offers sixty discussions each with a relevant Bible verse on topics such as peer pressure, shyness, self-worth, parents, sex and love and other aspects of daily life.

**More Graffiti** J. David Schmidt, 1984 In Your book, all my days were recorded even those which were purposed before they had come into being. Psalm 139:16. Young Cameron Vaux's mind is slipping. Memories of his wife killed two years earlier in a car accident are vanishing just as his dad predicted they would. Memories he knows he has to remember. His father tells Cameron that to save his mind he must find the book with all days in it, the past and future record of every soul on earth. When an obscure clue leads Cameron to a small central Oregon town, he meets enigmatic Taylor Stone, a possible guide to finding the book who seems to carry secrets far deeper than anyone imagines. Local hotshot TV personality Ann Bannister thinks the legend of the book is a farce but she has her reasons to join Cameron's search anyway. Finally, there is fanatical New Age guru Jason Judah who will stop at nothing to find the book of days before Cameron does. Acclaim for Book of Days I devoured Book of Days in one sitting. It is an exciting but poignant novel about how truly important our memories and choices are to who we become. It's still resonating in my heart. Colleen Coble, best selling author of The Lightkeeper's Bride. Book of Days is actually better than Rubart's best selling debut, Rooms, a terrific story that is equal parts fast-paced thriller, thought provoking allegory and moving drama. Rick Acker, author of When the Devil Whistles. James L. Rubart is officially now one of my favorite writers. Book of Days is a great read why people buy novels. Dan Walsh, award winning author of The Unfinished Gift. Rubart has created a page turner. Publishers Weekly: Well crafted and full of plot twists and turns. It will appeal to fans of Ted Dekker, Library Journal: Rubart is one of my favorite new authors, a master storyteller.

with his second release as good as or better than Rooms his debut release Examiner com Seattle Rubart is one of my favorite new authors His writing is poignant his characterizations skillful and his plotting incredible The Suspense Zone
