## **More Memories Of Bristol:**

**More Memories of Bristol** Peggy Burns, True North Holdings, 2001      *Shipwrecked with the Captain* Diane Gaston, 2019-03-01 RITA Award Winning Author All she remembers is feeling safe in his arms Shipwrecked governess Claire Tilson wakes in Captain Lucien Roper's arms with amnesia Her handsome rescuer believes she's a member of the aristocracy he detests yet he risks all to see her home where she learns she's betrothed to a wealthy stranger Claire is convinced she doesn't belong here and Lucien is the only man she trusts to uncover her past and claim her future A bit of danger enters the story adding a touch of suspense to an already delightful read Huntress Reviews      **An Epicurean Odyssey: More Sommelier Stories** Robert Giorgione, 2016-11-03 An Epicurean Odyssey More Sommelier Stories is award winning sommelier Robert Giorgione's fifth book It is a personalised journey in food and drink embellished with many mouth watering anecdotes and delicious recipes and bespoke pairings      **Ships Monthly**, 1998      **Sea Breezes**, 1921      **Bristol's Apprentices in the Sixteenth Century** Anne Yarbrough, 1977      **Elite Women in English Political Life c.1754-1790** Elaine Chalus, 2005-06-16 Based on wide ranging original research into political personal and general correspondences across a period of significant social and political change this book explores the gendered nature of politics and political life in eighteenth century England by focusing on the political involvement of female members of the political elite Elaine Chalus challenges the notion that only exceptional women were involved in politics that their participation was necessarily limited and indirect and that their involvement was inevitably declining after the 1784 Westminster Election While exceptional women did exist and gender did condition women's participation the personal social and particularly the familial nature of eighteenth century politics provided more women with a wider variety of opportunities for involvement than ever before Women from politically active families grew up with politics absorbing its rituals and their own involvement extended from politicized socializing up to borough control and election management Their participation was often accepted expected or even demanded depending upon family traditions personal abilities and the demands of political expediency Chalus reveals that although women's involvement in political life was always potentially more problematic than men's given contemporary concerns about the links between sex politics and corruption their participation was largely unproblematic as long as their activities could be explained by recourse to a familial model which depicted their participation as subordinate and supportive of men's It was when they came to be seen as the leading political actors in a cause that they overstepped the mark and became targets of sexualized criticism Contemporary critics worried that politically active women posed a threat to male polity but what actually made them threatening was that they proved that women were not politically incompetent and implicitly demonstrated that gender was not a reason for political exclusion Although the dividing line between acceptable and unacceptable female political behaviours was sharper from the late eighteenth century onward Chalus suggests that women who were willing to work creatively within the familial model could and did remain politically active into and through

the nineteenth century      **Forever Amber** K.J Dixon,2016-10-04 When Katy s pony Amber is diagnosed with a fractured splint bone and a cracked cannon bone Katy feels as though the worst has happened In reality the worst is yet to come A decline in condition along with being attacked by several life threatening illnesses leads to Amber s future hanging in the balance Katy is faced with a decision to either let her go or fight for her Why has this happened to you I asked her desperate for some sort of answer Her small head was bowed low and her bottom lip trembled This wasn t her it didn t feel as though she was still alive Her body was here but her mind and spirit were gone How could I possibly make this decision The facts and my head said to put her down but right now the facts weren t good enough and my heart felt that she deserved more Katy has the best possible support team behind her to fight for Amber s life This then begs the question can they do it Will Amber live      Handbook for Travellers in Wiltshire, Dorsetshire, and Somersetshire John Murray (Firm),1882      Handbook to the Company's Services Norddeutscher Lloyd,1888      Good Words ,1877      The Athenaeum ,1895      Forest and Stream ,1916      **Housecraft** ,1968      **The Waves Burn Bright** Iain Maloney,2016-05-19 In 1988 the Piper Alpha oil platform off the coast of Aberdeen Scotland exploded killing 167 men The Waves Burn Bright is a deeply effecting sensitive exploration of its devastating aftermath on one family Carrie Fraser is 16 when the disaster occurs her father Marcus one of the survivors As the narrative moves between past and present the trauma blows open existing fractures tearing the family apart In adulthood and after many years living abroad Carrie now a respected volcanologist is returning to Aberdeen to deliver a controversial academic paper Carrie and her father are estranged partly due to his post traumatic stress and related alcoholism a legacy of Piper Alpha Will a reconciliation be possible or will the aftershocks of a tragedy that occurred 25 years before continue to drive father and daughter apart A cauldron of a book bubbling with anger and magma which might at any moment spill over and bring further devastation It is both particular to this tragedy in 1988 but also universal a compelling story exploring how a father s trauma sends shock waves through a family changes the pattern of lives particularly his daughter s and makes love risky However as well as being about damage and running away it is also about healing Linda Cracknell author of *Call of the Undertow* and *Doubling Back* it wasn t so much that Maloney s characters had made an impact on my world but that I had entered theirs simply a cracking good read Alison Miller author of *Demo*      The Spectator ,1895      The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1895      Chambers's Journal of Popular Literature, Science, and Arts ,1921      **Athenaeum** James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1894      Publications of the Virginia War History Commission: Virginia communities in war time Virginia War History Commission,1926
