## More Military Musings:

More Military Musings Leonard Gill, *Musings of a Military Maverick* Yoginder Sharma, 2019-12-11 Maverick's Musings start with a tender tribute to a soul mate The young officer YO who had wooed and won the heart of a girl from an alien land shares his Jab We Met when we met moments of 1958 There was little in common between them except their humanity and core values of two ancient civilisations They overcame impossible odds to create a relationship that lasted for 55 years It is a heartwarming story that triggers emotions at a deeper level The episodic narrative then follows a linear timeline It runs on two intertwined tracks The personal thread follows his life from infancy to an awkward adolescence Fortunately he finds a more confident life partner The Greek girl uproots herself in pursuit of love and finds a new family in the warm folds of Indian military life Their life together matures into a well rounded family On the professional track the YO becomes a General in 30 years after a series of trials and triumphs The challenges include a resignation a traumatic war injury sadistic seniors a cadet's suicide and so on He survives and succeeds The family goes through phases of agony and ecstasy Their ability to roll with the punches lies in their inner strength which this narrative shows in flashes that source may be explored later

**Remembering the Regiment : the Experiences of a Kenya-born English Lad in the Continued Fight Against the Terrorism of the Mau-Mau Rebellion** Leonard J. Gill, 2004 Kenya settlers of European extraction performed enthusiastically in a variety of roles in the Emergency Forces Serving in Kenya Regiment companies serving as patrol commanders attached to the Kings African Rifles with African troops and with British regiments as guides tracker handlers and advisers as District Officers with the Kikuyu Guard as leaders and instructors in military skills as pseudo Mau Mau terrorists as policemen as pilots with the Kenya Police Air Wing as criminal investigation and intelligence officers They participated with good humor and enthusiasm at all levels and gave their expertise freely Many were extraordinarily effective and many served in isolation from their superior officers who relied on their initiative Generally the Kenya Regiment personnel received the cooperation of the local African populace who accepted them as disciplined reliable troops keen to rid the country of the scourge of terrorism There was a mutual respect between the Africans and the settler soldiers and their cooperation in anti terrorist operations strengthened the bonds of comradeship and widened understanding between the races After eighteen months military service as a patrol commander in the field I had gained special skills The Mau Mau terrorists had suffered heavy losses from desertions as well as casualties The dwindling numbers of hard core terrorists remaining in the forests had to be hunted down and this necessitated increased hunting skills I had learned tracking skill from Ngalu but there were areas where my knowledge was weak I was pleased

when I was sent to the Tracker School at Nanuki The instructors had been picked from Kenya Regiment personnel whose civilian jobs were with the Game Department and the National Parks I felt sure under their instruction my skills would be augmented

**Fighting the Mau Mau** Huw C. Bennett,2013 This new study of Britain s counterinsurgency campaign in Kenya examines the difference between official and accepted methods of conquering insurgents

**Musings of a Military Mind** BRIG Suyash Sharma VSM,2021-02-14 Take a peek into the puntastic as one of the readers described the Musings of this Military Mind collection of articles anecdotes and topical commentary of global events The range is huge starting from the US Presidential Elections and Covid 19 to the training regimen of the cadets in the Defence Academies The author has captured his ruminations in a lucid and simple story narrative The Trump Card The Trump ets of the world have heaved a sigh of relief after four years of having been blown non stop no wonder all that they produced these days was Vivekamunandan When they were queried on their misery they responded tongue in cheek that They were biden their time Independence Day the NDA Way 2475 ft was one of the peaks of the small hills in Khadakwasla Why was it called 2475 No one knows The actual height was probably a couple of feet less Corporal then explained the modus operandi of the day s climb we had to front roll up the slope Now this was turning out to be literally a bolt from the blue a royal kick in the derriere provided the much needed booster So began our very own freedom struggle we the wretched second and third termers the very lowly creatures in the food chain bore the brunt Oh those Bats Apart from the social distancing lockdowns and migrant labours cricketers and baseball players are up in arms they have asked for a change in the nomenclature of their Bats they would not like to touch anything so vile in their wildest imagination Ode to NDA Masters Giving meaningful looks was how the charge read forwarded by Dr Mrs SK Singh the cadet was summoned to the squadron office and questioned He was punished to be sent on liberty to Pune next Sunday to leave the instructor in question alone Quarantined Covid 19 after all is a teen adolescent neither an adult nor a kid quite confused not taken seriously by the Americans nor by the Chinese He is out to prove a point How I wish the Chinks had waited for two more months before letting it lose then it would have been christened Covid 20 and would probably have been more reasonable A Close Shave Today s youngsters are all Virat Kohli look alikes clones same bearded chins with hardly any clean cut faces I wonder why this reverse evolution has commenced in the men folk where they have got so entangled in the facial hair that they have messed up Darwin s treatise itself At this rate soon they should be growing their vestigial tails on their derriere Close Encounters of the Hairy Kind The reason why we start to dread the visit to the saloon may be a matter of research But to me it appears as though the blame lies squarely with our age old samskaras mundan as we all are aware is our first introduction with this species of barbers or hair dressers as they are addressed these days Naturally after the ignominy of making a public spectacle of being shorn of one s precious locks the relations with the barbers were destined to be acrimonious
