More Breaking Bread:

More Breaking Bread Dominic Garramone, 2001-10 **40 Loaves** C. D. Baker, 2009 Why don't I have more faith Why am I so bored with Jesus Why are Christians so hard for me to like There are many questions we're not supposed to ask when playing by the religious rules It makes people uncomfortable So why is it that Jesus invited questions and even asked some of them himself What is it that you're afraid to ask God It's a risky prospect to begin asking but far riskier to continue simply trying to get by without knowing Author C D Baker asked himself 40 soul searching questions which started a conversation in his heart and ultimately showed him more about God than He ever expected Can we become more honest with who we really are and find who God says He really is at the same time Come indulge yourself in daily readings with an honest exploration of your secret fears and thoughts and know that you will always be welcomed in God's unconditional love Search me O God and know my anxious thoughts Psalm 139 23 NIV Breaking Bread Sara Covin Juengst, 1992 By examining the Biblical customs connected with food Juengst discovers new meaning in familiar passages and presents six theological themes related to food and feasting Palmer says that Juengst shows how food is woven as intricately as faith into the entire fabric of our lives

The Christian family advocate, ed. by C. Ponsonby, Discerning the Body Jason Byassee, 2013-09-13 Where in the world is the church These articles essays opinion pieces and blog posts gather around that question If we quit on the question in despair we are lost If we answer it too quickly we are not digging deeply enough But if we hunt hard with the help of the Holy Spirit we'll find Christ's body alive active working growing and making things new In Discerning the Body Jason Byassee goes hunting for the church guided by a singular conviction God has promised there will be a church until Christ's return So it's out there it's just slightly hard to find Where is a batch of Jesus disciples gathering around his Word and Sacraments living out his mission in the world Byassee spends time among Catholics evangelicals mainliners and a few non Christians looking for signs of Christ's body He also looks in less likely places among athletes in institutions in popular culture in the craft of writing It is very hard to expect to be surprised Doesn't the expectation ruin the surprise Yet it's Jesus who surprises us in the church Every time we find him we have to expect to be surprised to find him anew in some counterintuitive guise This book is about the author's learning to expect to be astounded anew by Christ **Renewal**

Theology John Rodman Williams, 1996 **Renewal Theology** deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes **Renewal Theology** represents the first exhaustive balanced articulation of charismatic theology **Renewal Theology** discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and

powerful witness to the living God Replicate Robby Gallaty, Chris Swain, 2020-06-02 A Practical Guide to Creating and Sustaining a Culture of Disciple Making in Any Church Over the last few decades American churches have produced plenty of converts but not as many mature believers Studies show the majority of Christians don't even understand the basics of faith But how do you tackle such a big problem Replicate shows church leaders how to make disciples who make disciples and get the rest of your church on board as well This one on one relational ministry is how Jesus laid the foundation for His church that is still growing today and it's how we continue the work in our own local congregations Learn the five marks of a healthy disciple making church how to influence culture uproot misconceptions of the church and the gospel and change your church and community No more focusing on mere numbers it's time to grow in maturity and through multiplication **More Aces** George Ade, 1925 *A Concordance to the Holy Scriptures ...
