## More Christianity:

More Christianity Dwight Longenecker, 2010 No one would dare to suggest that C S Lewis's Mere Christianity is anything less than a brilliant explanation and defense of the Faith But as robust wise and ardent as it is still it is incomplete It begins our banquet at the table of the Lord but doesn't take us all the way to the final course That is what Dwight Longenecker's new book More Christianity does It fills our plates with the fullness of the Christian Faith found only in the Catholic Church Lest someone think Longenecker is presuming to piggyback or cash in on Lewis work or to set himself up as Lewis successor that is not the case What he does and does brilliantly is present the doctrine of the Church with succinct explanations of topics that arise in Catholic Protestant discussion the Marian dogmas the papacy the Mass purgatory the communion of saints the rosary and more In Longenecker's skilled hands More Christianity rounds out the meal so deliciously served up by Lewis in Mere Christianity
