Careless and Loving It (Hit-And-Run Discipleship) Rodney A. Kvamme,2002 Wait for the ideal is the hiss of the serpent not the voice of God Many a clear and present chance to bring love and joy to others has been missed by waiting for a more ideal opportunity The author maintains that what is needed is more carelessness The Table of Contents displays many playing fields where hit and run discipleship is an admirable option A baseball player will not be an effective member of the team without leaving the security of the plate There are similar risks for a disciple of Jesus The author uses lessons from his own life and asks readers to translate them into their own experience Hopefully they too will be encouraged to become more careless and love it Contemporary Authors Julie Keppen,Lisa Kumar,2004-09 Find biographical information on more than 115 000 modern novelists poets playwrights nonfiction writers journalists and scriptwriters Sketches typically include personal information addresses career history writings work in progress biographical and critical sources authors comments and informative essays about their lives and work A softcover cumulative index is published twice per year included in subscription
