More Love Tactics How To Win That Special Someone:

Love Tactics Thomas W. McKnight, Robert H. Phillips, 2012-04-05 Maybe that special someone is not as far out of reach as you think. Maybe what you need are a few effective strategies to finally make the right moves. Even if you're very shy a little on the quiet side or simply not the social success you'd like to be, Love Tactics is here to help. This book presents dozens of techniques designed to help you win the love of that special someone. With each tactic you'll find yourself becoming more enthusiastic, confident and eager to approach the person of your dreams in an effort to win his or her love. Then for those who have already found a romantic partner but have lost or are in danger of losing that person, the authors present tactics for winning back a lost love. The dream is in sight and Love Tactics is all you need to make that dream a reality. *Guy Gets Girl, Girl Gets Guy* Larry Glanz, Robert H. Phillips, 2012-08-21 Nobody ever said meeting that special someone would be easy. But the fact is that people begin romantic relationships every day. The trick is to know how to go about it and *Guy Gets Girl, Girl Gets Guy* provides all the tools you'll need to successfully meet, greet and ultimately win that special someone. The authors first focus on who you are and offer proven suggestions for enhancing your assets. They help you select the qualities you would like to see in your future mate and then guide you to the places where you can meet new people from the hottest websites to the trendiest night spots from new and unusual places to common hangouts that might be right under your nose. They even provide effective icebreakers designed to launch your first conversation. With *Guy Gets Girl, Girl Gets Guy* you have no more excuses to be lonely.

Family Betty Farrell, 2018-02-02 The research conducted by family historians over the past three decades challenges, modifies and ultimately enriches sociological understandings about American family life today. By looking closely at the historical record, the author is able to debunk certain myths such as the belief that the ideal family male breadwinner and female domestic manager has been historically prevalent. That the traditional family has been disintegrating in recent years that the presumed breakdown of the family has left children more vulnerable than in the past.
