**More Opening Nights on Broadway** Steven Suskin,1997 Picking up where Suskin's earlier *Opening on Broadway* leaves off this new collection offers excerpted first night reviews of 210 of the most popular Broadway productions of recent memory *A Chorus Line* *Hair* *Pippin* *Grease* *Cabaret* *Annie* *Ain't Misbehavin'* *Jesus Christ Superstar* and many more. The reviews also serve to chronicle many of the careers that were made and broken during this period of the Broadway theatre 100 photos *The Cambridge Companion to the Musical* William A. Everett,Paul R. Laird,2017-09-21 An expanded and updated edition of this acclaimed wide ranging survey of musical theatre in New York London and elsewhere

**The Oxford Handbook of The American Musical** Raymond Knapp,Mitchell Morris,Stacy Wolf,2011-11-04 *The Oxford Handbook of The American Musical* offers new and cutting edge essays on the most important and compelling issues and topics in the growing interdisciplinary field of musical theater and film musical studies. Taking the form of a keywords book it introduces readers to the concepts and terms that define the history of the musical as a genre and that offer ways to reflect on the specific creative choices that shape musicals and their performance on stage and screen. The handbook offers a cross section of essays written by leading experts in the field organized within broad conceptual groups which together capture the breadth direction and tone of musicals studies today. Each essay traces the genealogy of the term or issue it addresses including related issues and controversies positions and problematizes those issues within larger bodies of scholarship and provides specific examples drawn from shows and films. Essays both re examine traditional topics and introduce underexplored areas. Reflecting the concerns of scholars and students alike the authors emphasize critical and accessible perspectives and supplement theory with concrete examples that may be accessed through links to the handbook's website. Taking into account issues of composition performance and reception the book's contributors bring a wide range of practical and theoretical perspectives to bear on their considerations of one of America's most lively enduring artistic traditions. *The Oxford Handbook of The American Musical* will engage all readers interested in the form from students to scholars to fans and aficionados as it analyses the complex relationships among the creators performers and audiences who sustain the genre

**Identities and Audiences in the Musical** Raymond Knapp,Mitchell Morris,Stacy Wolf,2018-09-04 Issues of identity have always been central to the American musical in all its guises. Who appears in musicals who or what they are meant to represent and how over time those representations have been understood and interpreted provide the very basis for our engagement with the genre. In this third volume of the reissued Oxford Handbook of the American Musical chapters focus on race ethnicity gender and sexuality regional vs national identity and the cultural and class significance of the musical itself. As important as the question of who appears in musicals are the questions of who watches and listens to them and of how specific cultures of reception attend differently to the musical. Chapters thus address cultural codes inherent to the genre in particular those found in traditional school theater programs *Musical Theater* Alyson McLamore,2016-09-16 For Surveys of Musical

Theater Music Appreciation courses and Popular Culture Surveys This unique historical survey illustrates the interaction of multiple artistic and dramatic considerations with an overview of the development of numerous popular musical theater genres This introduction provides more than a history of musical theater it studies the music within the shows to provide an understanding of the contributions of musical theater composers as clearly as the artistry of musical theater lyricists and librettists The familiarity of the musical helps students understand how music functions in a song and a show while giving them the vocabulary to discuss their perceptions   **Opening Nights** Martin Gottfried,1969   **The New York Times Magazine** ,1994-02   **The American Mercury** ,1928   **The Saturday Evening Post** ,1930   **The Musical Monitor** ,1919   **Court of Appeals of the State of New York.
