More Personal Journeys Chaucer Shakespeare Augustine Newman Chesterton Greene:

More Personal Journeys Peter A. Fiore, 2005 This volume contains six personal essays on six prominent classic authors written for the average reader who is minimally familiar with the authors probably just heard of them by name and would like an introduction to these literary figures and their works The authors have been carefully chosen two Chaucer and Shakespeare are primarily poets two Augustine and Newman are primarily churchmen and two Chesterton and Greene are primarily masters of prose All six however are master craftsmen and have made an enormous contribution to world culture The underlying argument of the book is that the authors Christian faith gave impetus to their creative output Although all the observations about the authors and their works are fully researched and based on Professor Fiore's years as professor and critic a conscious effort has been made to avoid esoteric research problems and their consequent footnotes in an effort to present a readable and intimate approach to the writers The book is ideal for the general reader the undergraduate student and the lover of great literature The first chapter of the book entitled Geoffrey Chaucer presents a survey of the poet's life taking into consideration that records are few in terms of biographical information Chaucer is seen as representative of that increasingly important middle class that was constantly infiltrating the aristocracy He lived in a world that knew no reformation no puritanism jansenism no victorianism He was a product of a totally medieval Roman Catholic England The early poems are given consideration here and The Canterbury Tales his masterpiece is given fuller treatment The pilgrims are described and the tales are discussed Special consideration is given to the pilgrims whom posterity has seen as unique creations the affected Madame Eglantyne and her Prioress Tale the haughty Chanticleer and the Nun's Priest Tale the bawdy Wife of Bath and her tale about marital fidelity The chapter concludes that Chaucer who wrote in many genres gave a loving and often hilarious picture of the many social types living in England at the time he is deservedly considered the Father of English Literature

The Gospels Are Now Peter A. Fiore, O.F.M., 2010-10-12 Pope John XXIII in using the word *aggiornamento* in reference to the Second Vatican Council actually challenged the present day Christian world to apply Scripture and tradition to modern and contemporary situations It is in that spirit that the author has written this book As professor of literature for many years specializing in the Great Books Professor Fiore takes timeless Gospel themes and examines how these biblical motifs are often echoed in some of our most beautiful and stimulating present day creations Some of the writers covered here are John Steinbeck Flannery O'Connor Tennessee Williams Shirley Jackson Franco Zeffirelli and others Some of the theater works are *Waiting for Godot* *Raisin in the Sun* *Man of La Mancha* *The Fantasticks* and *Our Town* some of the films are *Moonstruck* *Schindler's List* *La Dolce Vita* *Shawshank Redemption* *Life is Beautiful* *La Strada* and *Brideshead Revisited* A concerted effort for a personal style has been made in order to present an intimate and readable approach to life the arts and their Gospel influences
