## **More Special Times With God:**

**God, Time, and the Incarnation** Richard A. Holland Jr., 2012-02-20 The dominant view among Christian theologians and philosophers is that God is timeless that he exists outside of time in an atemporal eternity In *God Time and the Incarnation* Richard Holland offers a critical evaluation of this traditional view in light of the most central doctrine of Christianity the Incarnation of Christ Holland reviews the history of this controversy highlighting the various theological problems for which atemporal models have been offered as a solution He asserts the central importance of the Incarnation for Christian theology and evaluates several atemporal models in light of this doctrine Finally he suggests that the traditional atemporal view is not compatible with a robust and orthodox view of the Incarnation This book rejects the traditional atemporal view of God's relationship to time and argues based on the Incarnation that God experiences temporal sequence in his existence

**A Unique Time of God** Karl Barth, 2016-12-30 World War I changed Karl Barth's theology forever In this book William Klempa presents for the first time in English thirteen sermons that offer Barth's unique view and commentary on the Great War Barth saw the war as a unique time of God believing it to represent God's judgment on militarism The sermons reveal a deep strain of theological wrestling with the war's meaning as Barth comes to see the conflict as the logical outcome of all human attempts to create God in our own image As it demonstrates a decisive shift in Barth's early theology this volume is essential for anyone who wishes to understand the twentieth century's greatest theologian

**Time with God in Finding Inner Peace** Lalonie Bowen, 2016-08-11 My book is a spiritually teaching book about how to find inner peace by having a relationship with God It teaches about kindness forgiveness love and faith It will uplift and inspire people who are seeking for something more in their lives as they will learn that what they are seeking is God By turning to God in prayer and thankfulness they will finally have the peace in their hearts that they are longing for It teaches about love and how much love God has for us as we are all unconditionally loved by God We are reminded that we are all children of God and how much goodness God wants to bring into our lives if we only will open our hearts to receiving God's love in our lives by spending time in prayer with HIM every single day It reminds us that we are God's most precious gifts as HE wants the very best for us and what HE wants in turn is for each of us to spend time talking to HIM honoring and praising our God and thanking HIM for the many blessings we have been given from God

***How God Works*** David DeSteno, 2021-09-14 Drawing on a wealth of new evidence pioneering research psychologist David DeSteno shows why religious practices and rituals are so beneficial to those who follow them and to anyone regardless of their faith or lack thereof Scientists are beginning to discover what believers have known for a long time the rewards that a religious life can provide For millennia people have turned to priests rabbis imams shamans and others to help them deal with issues of grief and loss birth and death morality and meaning In this absorbing work DeSteno reveals how numerous religious practices from around the world improve emotional and physical well being With empathy and rigor DeSteno chronicles religious rites and traditions from cradle to grave He

explains how the Japanese rituals surrounding childbirth help strengthen parental bonds with children He describes how the Apache Sunrise Ceremony makes teenage girls better able to face the rigors of womanhood He shows how Buddhist meditation reduces hostility and increases compassion He demonstrates how the Jewish practice of sitting shiva comforts the bereaved And much more DeSteno details how belief itself enhances physical and mental health But you don't need to be religious to benefit from the trove of wisdom that religion has to offer Many items in religion's toolbox can help the body and mind whether or not one believes How God Works offers advice on how to incorporate many of these practices to help all of us live more meaningful successful and satisfying lives

**God's Time For Us (Studies in Historical and Systematic Theology)** James J. Cassidy, 2016-09-28 Explores Barth's theology through the concept of eternity and time **The Whole Works of the Reverend Mr. John Flavel ...** John Flavel, 1754 The Church Missionary Intelligencer, 1906

**Benedictus Dominus. A Course of Meditations for Most Days of the Year** Richard Meux Benson, 1876 **The Catechism Explained** Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be called a guide book for the Christian on the road to heaven Preface **Summa Theologica, Volume 2 (Part II, First Section)** St Thomas Aquinas, 2007-05-01 The Summa Theologica is the best known work of Italian

philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225-1274 widely considered the Catholic Church's greatest theologian Famously consulted immediately after the Bible on religious questions at the Council of Trent Aquinas's masterpiece has been considered a summary of official Church philosophy ever since Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God man and Jesus then lays out objections to Church teachings and systematically confronts each using Biblical verses theologians and philosophers to bolster his arguments In Volume II Aquinas addresses happiness good and evil love and hatred hope and despair anger virtue sin and grace and much more This massive work of scholarship spanning five volumes addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy religious historians and serious students of Catholic thought Some further observations concerning the place, and manner, and time of burial Joseph Bingham, 1878

**Deep truths simply explained** Helen Baillie, 1887 **The Life and Correspondence of Thomas Valpy French** Herbert Birks, 1895 **The Teaching of Jesus** graf Leo Tolstoy, 1909 Parts of the four Gospels paraphrased and harmonized for children **The Philosophy of the Christian Religion** Andrew Martin

Fairbairn,1909      **Sermons and Addresses, Question Drawer and Other Proceedings of the Christian Convention Held in Chicago, September 18th to 20th, 1883** ,1884      **Why? Because You are Anointed** T. D. Jakes,1994 Like the eternal nature of ocean tides the question Why always comes back There seem to be as many reasons to ask why as there are grains of sand on the beach And yet like the tide God brings the answers and washes our questions away Why do the righteous who have committed their entire lives to obeying God seem to endure so much pain and conflict Why do Christians often suffer while unbelievers seem to reap the blessings of life Why do bad things happen to good people Why are the anointed persecuted Why does the vision tarry These perplexing questions have bewildered Christians for ages In this anointed and inspirational book Bishop T D Jakes the preacher with the velvet touch provocatively and skillfully answers these questions and many more      **The Defender** ,1916      Called to Rebellion Sandy Snavely,1999 Every woman is Called to Rebellion At stake is control of her heart Mixing Scripture with humorous and poignant personal anecdotes Sandy Snavely shows how every aspect of a woman s heart is a battlefield to be won or lost for Christ By stripping away the superficiality that permeates their lives readers come to realize their true identity in Christ and rebel against the impostor who robs them of true joy Women who recognize Satan s influence in their roles as wives mothers and friends will find new ways to defeat the evil one and trust the Lord The journey begins on page 1 by getting face to face with God and accepting His call to rebellion      **The Reformed Presbyterian and Covenant** ,1894
