Jamie Marich, 2020-07-07 An inclusive research based guide to working the 12 steps a trauma informed approach for clinicians sponsors and those in recovery. Step 1 You admit that you're powerless over your addiction. Now what. 12 step programs like Alcoholics Anonymous AA and Narcotics Anonymous NA have helped countless people on the path to recovery. But many still feel that 12 step programs aren't for them that the spiritual emphasis is too narrow the modality too old school the setting too triggering or the space too exclusive. Some struggle with an addict label that can eclipse the histories traumas and experiences that feed into addiction or dismisses the effects of adverse experiences like trauma in the first place. Advances in addiction medicine trauma neuropsychiatry social theory and overall strides in inclusivity need to be integrated into modern day 12 step programs to reflect the latest research and what it means to live with an addiction today. Dr Jamie Marich an addiction and trauma clinician in recovery herself builds necessary bridges between the 12 step's core foundations and up to date developments in trauma informed care.
