Maturing A Christian Conscience:

Maturing a Christian Conscience John Carmody, 1985 **Walk with Jesus Christ, the Truth Iii' 2008 Ed.(maturing in Jesus Christ)** , **An Introduction to Christian Ethics** Roger H Crooks, 2015-10-02 This book is a college level introductory textbook in Christian ethics It introduces the field of ethics and a variety of approaches to its study The book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues

Introduction to Christian Ethics Roger H Crook, 2015-10-02 This book is a college level introductory textbook in Christian ethics It introduces the field of ethics and a variety of approaches to its study The book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues **An Introduction to Christian Ethics** Roger H. Crook, 1995 This introduction to the study of Christian ethics introduces the field of ethics in general surveys the variety of Christian approaches to the study of ethics describes the author's own methods for making ethical decisions and explores topical ethical issues both personal and social *The Way of the Lord Jesus: Christian moral principles* Germain Gabriel Grisez, 1983 *Committed Worship: Adult conversion and initiation* Donald L. Gelpi, 1993 Volume II develops a sacramental theology that addresses the needs of all adult Christians The chapters on Marriage show how conversion both humanizes and Christianizes human sexuality providing the context for a foundational rethinking of the meaning of the context for a foundational rethinking of the meaning of Christian Marriage The discussion of Orders examines the responsibilities of ordained leaders and throws light on the rise of clericalism and on the meaning of priestly identity and ministry in addition to clarifying the relationship between the priesthood of the laity and that of the ordained A discussion of Christian nurture explains the practical and theoretical meaning of infant Baptism This volume also examines the three sacraments that most foster ongoing conversion Reconciliation Anointing and Eucharist After situating each of these rituals in its Biblical and historical setting the author shows how each contributes to ongoing Christian conversion **Hans Urs von Balthasar on the Spiritual Exercises** Hans Urs Von Balthasar, 2019-05-20 I would like one day Hans Urs von Balthasar wrote in 1952 to write a book on Ignatius of Loyola the saint of whom I will always consider myself the least of sons The Jesuit formed theologian from Switzerland widely considered one of the greatest thinkers and spiritual writers of modern times never got the chance to fulfill this dream Instead Balthasar's whole theology from Theo Drama to Dare We Hope That All Men Be Saved is imbued with the influence of Saint Ignatius founder of the Society of Jesus and author of the Spiritual Exercises a multi week retreat guide that has rejuvenated Catholic spirituality since the sixteenth century Throughout Balthasar's priestly life he led countless retreatants in the Ignatian Exercises accompanying them in their discernment of God's call This anthology is an aid for those either giving or making an Ignatian retreat Full of citations and equipped with four indexes as well as many texts never before translated into English it sifts Balthasar's writings for insights into almost every element of Ignatius' libretto sometimes diving into themes scarcely explored by others Moreover it maps out those hidden

strains of Jesuit spirituality that run unnoticed through the theologian's oeuvre Yet the book may help anyone at all who wants to engage more deeply with Jesus or come to grips with Church doctrine for as Balthasar himself says the Spiritual Exercises are both a great school of Christocentric contemplation and a genuine interpretation of the deposit of the faith

American Evangelicals and the 1960s Axel R. Schäfer, 2013-08-23 In the late 1970s the New Christian Right emerged as a formidable political force boldly announcing itself as a unified movement representing the views of a moral majority But that movement did not spring fully formed from its predecessors American Evangelicals and the 1960s refutes the thesis that evangelical politics were a purely inflammatory backlash against the cultural and political upheaval of the decade Bringing together fresh research and innovative interpretations this book demonstrates that evangelicals actually participated in broader American developments during the long 1960s that the evangelical constituency was more diverse than often noted and that the notion of right wing evangelical politics as a backlash was a later creation serving the interests of both Republican conservative alliances and their critics Evangelicalism's involvement with rather than its reaction against the main social movements public policy initiatives and cultural transformations of the 1960s proved significant in its 1970s political ascendance Twelve essays that range thematically from the oil industry to prison ministry and from American counterculture to the Second Vatican Council depict modern evangelicalism both as a religious movement with its own internal dynamics and as one fully integrated into general American history A Study of the Mature Christian Conscience Mark L. Fuller, 1986 The Princeton Theological Review, 1919 *The Christian Century*, 1915 *Morality, Religion, and the Filipino* René B. Javellana, 1994 **Christian Morality & You** James Finley, Michael Pennock, 1976 Ways to lead a Christian life are explored **New Evangelisation and Christian Moral Theology** Michael Ifeanyinachukwu Mozia, 1993 Economics for Christians, and Other Papers Joseph Clayton, 1923 **The Living Theological Heritage of the United Church of Christ: Growing toward unity** Barbara Brown Zikmund, 1995 The Congregational Christian Union the history of the Evangelical and Reformed Church and the ecumenical passion of these traditions are developed in this sixth volume of the series The Transforming Habits of a Growing Christian William D. Watkins, 2004 Watkins puts Christians on the road to developing life changing habits that enrich their love for God and their experience of God's love for them by encouraging them to embrace the spiritual disciplines including simplicity prayer study confession and service and make them part of everyday life *The Christian Commitment of Today's Filipino*, 2004 **The Quiet Imperative** John Carmody, 1986-10
