## **Max Eastman:**

*Max Eastman* Christoph Irmscher, 2017-01-01 The definitive biography of a radical activist and intellectual **The Last Romantic** William L. O'Neill, 2020-03-02 Poet and Journalist Max Eastman is perhaps the most famous example of an American intellectual who during his life moved across the entire political spectrum This re examination of his career and his place in history reveals the dynamics behind his several careers and political transformations offering new insight into one of the most influential writers of the twentieth century **Miscellaneous Publications by and about Max Eastman** Max Eastman, **Artful Lives** Beth Gates Warren, 2011 Sumario Prologue Edward Weston a Midwestern upbringing 1886 1905 Weston takes on Tropic 1906 1912 Margrethe Mather an inauspicious start 1886 1912 The City of the Angels 1850 1913 Getting established early 1913 Getting acquainted late 1913 to 1914 Challenges 1915 Outside influences 1916 The tide turns 1917 War and pestilence 1918 Exhilaration 1919 Seeking acclaim 1920 Fame and angst 1921 Tragedies and triumphs 1922 Endings and beginnings 1923 Epilogue Afterword **Max Eastman** Milton Cantor, 1970 **The Suffragents** Brooke Kroeger, 2017-05-11 The story of how and why a group of prominent and influential men in New York City and beyond came together to help women gain the right to vote The Suffragents is the untold story of how some of New York's most powerful men formed the Men's League for Woman Suffrage which grew between 1909 and 1917 from 150 founding members into a force of thousands across thirty five states Brooke Kroeger explores the formation of the League and the men who instigated it to involve themselves with the suffrage campaign what they did at the behest of the movement's female leadership and why She details the National American Woman Suffrage Association's strategic decision to accept their organized help and then to deploy these influential new allies as suffrage foot soldiers a role they accepted with uncommon grace Led by such luminaries as Oswald Garrison Villard John Dewey Max Eastman Rabbi Stephen S Wise and George Foster Peabody members of the League worked the streets the stage the press and the legislative and executive branches of government In the process they helped convince waffling politicians a dismissive public and a largely hostile press to support the women's demand Together they swayed the course of history The Suffragents is proof that the clatter of dishes that America's power brokers were hearing as they sat in their smoking parlors back in the early twentieth century meant more than clean china and emptied ashtrays Someone was cooking up plans The book reveals the careful never before told story of how women carefully calculated and planned their own liberation directing the prominent power brokers in America into action With smooth efficiency and the touch of a novelist Brooke Kroeger shows how the suffragist movement engineered by women from top to bottom cleverly stitched in the involvement of men from all walks of professional and political life directed by women who used neither gun nor blade to direct the men but the weapons of intelligence cleverness and when necessary subterfuge The collaboration in this balance of power between prominent men who invested in the movement and the women who directed them has everything to teach us today James McBride author of *The Color of Water* A Black Man's Tribute to His White

Mother and The Good Lord Bird Not all the suffragists who risked ridicule to march down Fifth Avenue in the big parades touting votes for women wore dresses Brooke Kroeger meticulously documents the largely unsung role of men who publicly supported their wives mothers sisters or lovers in the final dramatic decade of women s seventy year battle for the ballot Linda J Lumsden author of *Inez The Life and Times of Inez Milholland and Rampant Women Suffragists and the Right of Assembly Women need men to get the rights they deserve after all men had to vote to let women vote* Brooke Kroeger gives us the first history of the Men s League for Woman Suffrage the Gentleman s Auxiliary of the women s movement Eschewing the spotlight they supported gender equality as we all should because it s quite simply the right thing to do With this gift Kroeger gives us back a bit of our history Michael S Kimmel coeditor of *Against the Tide Pro Feminist Men in the United States 1776 1990 A Documentary History* *Max Eastman Great Companions* Max Eastman, 2018-10-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Max Eastman's Address to the Jury in the Second Masses Trial* Max Eastman, 1918 *Max Eastman* Enjoyment of Poetry With Anthology for Enjoyment of Poetry, 1951 *The New York Intellectuals, Thirtieth Anniversary Edition* Alan M. Wald, 2017-10-10 For a generation Alan M Wald s *The New York Intellectuals* has stood as the authoritative account of an often misunderstood chapter in the history of a celebrated tradition among literary radicals in the United States His passionate investigation of over half a century of dissident Marxist thought Jewish internationalism fervent political activism and the complex art of the literary imagination is enriched by more than one hundred personal interviews unparalleled primary research and critical interpretations of novels and short stories depicting the inner lives of committed writers and thinkers Wald s commanding biographical portraits of rebel outsiders who mostly became insiders retains its resonance today and includes commentary on Max Eastman Elliot Cohen Lionel Trilling Sidney Hook Tess Slesinger Philip Rahv Mary McCarthy James T Farrell Irving Kristol Irving Howe Hannah Arendt and more With a new preface by the author that tracks the rebounding influence of these intellectuals in the era of Occupy and Bernie Sanders this anniversary edition shows that the trajectory and ideological ordeals of the New York intellectual Left still matters today **Enjoyment of Laughter** Max Eastman, 2008-10 Humor at its best is a somewhat fluid and transitory element but most books about it are illustrated with hardened old jokes from the comic papers or classic witticisms jerked out of their context Max Eastman in this work avoids this catastrophe by quoting mainly from contemporary

American humor This is not an anthology in that selections have been made with a view to making a point rather than covering the field The purpose of Eastman s fabled work is to make the reader laugh Since his early school days it has seemed to him that textbooks are wrongly written in that they are conducted in a way which ignores the natural operation of the mind As a result the opinion is universal and under the circumstances a fact that in order to learn anything you have to study Since this introduction to humor is itself near to writing a textbook Eastman uses the very text he constructs to illustrate the manner in which textbooks should be written Examination and classification of the kinds of humorous experience upon the basis of a theory is a science As such this work offers a fair chance to illustrate a method of instruction However the distinction between a good joke and a bad one will not prevent the reader from making bad jokes nor enable one to make good ones There is an artistic and playful element that simply cannot be taught Enjoyment of Laughter presents a total view of the science of laughter and draws upon some of the great American humorists to do so Max Eastman 1883 1969 was an American writer patron of the Harlem Renaissance and was best known for his views as well as his rejection of the ideas of socialism and communism He wrote numerous controversial critiques of contemporary literature authors as well as many books including Seven Kinds of Goodness Love and Revolution My Journey through an Epoch and Enjoyment of Living William Fry is Emeritus Associate Clinical Professor at Stanford University Distinguished Life Fellow of the American Psychiatric Association and Diplomate of the American Board of Psychiatry

**Remembering Women Differently** Lynée Lewis Gaillet, Helen Gaillet Bailey, 2019-05-23 An examination of women s work rhetorical agency and the construction of female reputation Before the full and honest tale of humanity can be told it will be necessary to uncover the hidden roles of women in it and recover their voices from the forces that have diminished their contributions or even at times deliberately eclipsed them The past half century has seen women rise to claim their equal portion of recognition and Remembering Women Differently addresses not only some of those neglected it examines why they were deliberately erased from history The contributors in this collection study the contributions of fourteen nearly forgotten women from around the globe working in fields that range from art to philosophy from teaching to social welfare from science to the military and how and why those individuals became either marginalized or discounted in a mostly patriarchal world These sterling contributors scholars from a variety of disciplines rhetoricians historians compositionists and literary critics employ feminist research methods in examining women s work rhetorical agency and the construction of female reputation By recovering these voices and remembering the women whose contributions have made our civilization better and more whole this work seeks to ensure that women s voices are never silenced again

Claude McKay, Rebel Sojourner in the Harlem Renaissance Wayne F. Cooper, 1996-02 Cooper paints a meticulous and absorbing portrait of McKay s restless artistic intellectual and political odyssey The definitive biography on McKay Choice Although recognized today as one of the genuine pioneers of black literature in this century the author of If We Must Die Home to Harlem Banana Bottom and A Long Way from Home among

other works Claude McKay 1890 1948 died penniless and almost forgotten in a Chicago hospital In this masterly study Wayne Cooper presents a fascinating detailed account of McKay s complex chaotic and frequently contradictory life In his poetry and fiction as well as in his political and social commentaries McKay searched for a solid foundation for a valid black identity among the working class cultures of the West Indies and the United States He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen and also to influential West Indian and African writers such as C L R James and Aim C saire Knowledge of his life adds important dimensions to our understanding of American radicalism the expatriates of the 1920s and American literature Mr Cooper s most original contribution is his careful and perceptive analysis of McKay s nonfiction writing especially his social and political commentary which often contained prophetic statements on a range of important social political and historical issues New York Times Book Review     *Max Eastman Autograph* Max Eastman,1969     *Pearson's Magazine* ,1919 Pearson s Magazine 1899 1925 a monthly magazine devoted to literature politics and the arts was founded as a New York affiliate of the London periodical of the same name part of which it reprinted From 1916 to 1923 it was edited by Frank Harris     A Warning to the Farmer Against Townleyism as Exploited in North Dakota Jerry Dempster Bacon,1918     **Typed Letter Signed Max Eastman To: Dr. Gustave Lippmann** Max Eastman,Gustave Lippmann,1918     The Last Stand of Dialectic Materialism... by Max Eastman Max Eastman,1934     **Criminal Law and Practice of the State of New York** New York (State).,1918     **The New Republic** ,1922
