once knew irrevocably adrift P 4 of cover **The Professor of Immortality** Eileen Pollack, 2019-10-01 A tragicomedy about the paradoxes of trying to be a decent human and maybe even trickier of trying to be a decent mom by the author of *A Perfect Life* Rivka Galchen author of *Little Labors* Professor Maxine Sayers once found her personal and professional life so fulfilling that she founded the Institute for Future Studies a program dedicated to studying the effects of technology on our culture and finding ways to prolong human life But when her beloved husband dies she is so devastated she can barely get out of bed To make matters worse her son Zach abruptly quit his job in Silicon Valley and has been out of contact for seven months But Maxine is jolted from her grief by her sudden realization that a favorite former student and a former close friend of her son might be a terrorist called the Technobomber and that Zach might either be involved in or has become a victim of this extremist's bombing Deserting her teaching responsibilities her ailing mother and an appealing suitor Maxine is compelled to set out in search of her son in order to warn and protect him even though she knows she should report her suspicions to the FBI to prevent greater carnage *The Professor of Immortality* is intimate and sweeping funny and terrifying and most of all dead on in its observations of what it means to want to know everything about people we love while still being frightened of what we might find out it's a detective story and a story of motherlove Eileen Pollack is a splendid writer

Elizabeth McCracken author of *Bowlaway* In this exceptional novel Eileen Pollack writes with great immediacy about the impact of grief on a parent's perception of the world. Tender, wry, full of unexpected revelations, *The Professor of Immortality* gripped me from the first scene and the urgent questions it poses have stayed with me. Idra Novey author of *Those Who Knew*

Supernova EMP Grace Hamilton, This action-packed post-apocalyptic series is now available in a box set of over 1,500 pages. When civilization collapses, only the strong will survive. Josh and Maxine Standing's marriage is circling the drain. But the fractured family of four has never needed each other more than when a supernova EMP strikes Earth and sends humanity back to the Stone Age. The shrieks of a dying civilization echo all around as they combat the chaos to reach the West Virginian family farm. However, it's not just a firefight for valuable resources that awaits them when long festering secrets and betrayals come to light and threaten to permanently tear the Standings apart. Black and white no longer exist in a post-apocalyptic world swirling with shades of gray, and the Standings must find a way to survive the dark matter hurricane and stitch their frayed family back together. Or face complete annihilation at the hands of a maniacal madman who will do anything and destroy anyone in his quest to dominate. This thrilling post-apocalyptic box set includes all four novels in the *Supernova EMP* series: *Dark End*, *Deep End*, *Bitter End*, and *Final End*. Prepper survivalist author Grace Hamilton invites you to step into a post-apocalyptic EMP-ravaged world filled with strong, resourceful characters, survivalist knowledge, and edge-of-your-seat action.

In Love with the Rebel Elizabeth Lennox, 2022-11-11 Marni just wanted to make her sister proud. So how had she ended up in a small town in Pennsylvania, wearing a neon tutu and working for a man that drove her crazy? Josh wanted to fire her, but Marni was the best damn assistant he'd ever had and one with the biggest heart. Unfortunately, her generous nature usually meant that the woman promised his legal skills to everyone she met on the street. He'd just accepted that he was in love with the crazy women when he gets the call: Marni was arrested for murder. Impossible. After the woman had rescued just about everyone else in town, it was his turn to rescue Marni. Would he be in time to save her from a murder charge? And what would happen to their budding romance if she was in prison?
