### **The Romantics and the May Day Tradition**

*Essaka Joshua,2016-02-24* This important contribution to both Romantic and cultural studies situates literature by Wordsworth Southey Hunt Clare and Blake within the context of folklore and popular customs associated with May Day Romantic responses to May Day bring into focus a range of issues now regarded as central to the writing of the period the natural world city life the pastoral regional and national identities popular culture cultural degeneration and cultural difference Essaka Joshua explores new connections between these issues in the context of a set of heterogeneous cultural practices that are rooted in the traditions and activities of diverse social groups She shows how Romantic writers have positioned themselves in relation to what has become known as the public sphere and the way in which they articulate an understanding of the common sphere as a site of plebeian self expression Joshua s nuanced account acknowledges the full complexity of class formations and inter class relationships and permits noncanonical and canonical texts such as the Prelude Songs of Innocence and Experience and The Village Minstrel to be reinterpreted in a cultural context that has not been previously explored by literary critics

*May Day* Phillis Levin,2008-04-29 A sensuous and musical new collection from acclaimed poet Phillis Levin May Day is a work of a visionary imagination In tones playful and celebratory in gestures both intimate and international Levin s poems explore how tenderness and violence change our lives From a flood overtaking the Prague zoo to the joy of a maypole dance from a mural of the Trojan War in a Greek diner in New York to the noiseless explosions of time in the opening of a flower these poems are rhapsodies of the senses and the intellect disclosing new thresholds of meaning

*The History of May Day* Alexander Trachtenberg,2018-10-21 In this classic reprint from 1937 Alexander Trachtenberg delivers a concise history of the origins of May Day The origin of May Day is indissolubly bound up with the struggle for the shorter workday a demand of major political significance for the working class This struggle is manifest almost from the beginning of the factory system in the United States Written by Alexander Trachtenberg in 1935 is an invaluable asset for any Marxist Leninist student Although the demand for higher wages appears to be the most

prevalent cause for the early strikes in this country the question of shorter hours and the right to organize were always kept in the foreground when workers formulated their demands against the bosses and the government As exploitation was becoming intensified and workers were feeling more and more the strain of inhumanly long working hours the demand for an appreciable reduction of hours became more pronounced     **Doings of the Bodley Family in Town and Country, ; and The Bodleys Telling Stories** Horace Elisha Scudder,1878     **Annual Report on Labour Organization in Canada** ,1927
