Hseham, 2024-01-27 At the heart of the book is an examination of the hook model a framework that systematically guides designers in creating products that establish and reinforce user habits It begins with the Trigger phase exploring how external and internal triggers prompt user action sparking engagement Whether through external cues or internal motivations understanding triggers is fundamental to the creation of products that consistently capture user attention Moving on to the Action phase the book explores the steps users take to interact with the product emphasizing the role of simplicity and user friendly design By dissecting the elements that drive user behavior the book provides actionable insights for designers aiming to create seamless and intuitive interactions that encourage repeated use

## **Revenge of the Nerds** Jeyo Sargunam, 2023-03-24

The world has transformed in the last two decades There is no denying that there has been a slow steady and overtly subtle takeover of every aspect of human experience The technological force that is powering this transformation is profoundly undemocratic can be deemed exploitative Tools like WhatsApp Facebook Google YouTube etc are now ubiquitous These internet powered tools have unprecedented global scale and many don t understand the business revenue models of these monitoring behavior manipulating tools **Revenge of the Nerds** is an attempt to unravel the forces

behind this societal transformation It tells the story of how Nerds used technology to capture the world and control it using technology The book explains the vulnerabilities we have in our human minds and how BigTech companies exploit these vulnerabilities to reshape reality in the way they deem fit Most of the fresh cracks we find in society can be attributed to the faulty interface between technology and human interactions Human Psychology has been weaponized using Technology to polarize us politically make us more materialistic and encourage a hedonist lifestyle Revenge of the Nerds is the simplified story of how we all got Zuckered and how we can still hope to unzuck our lives
