Blue Monday Nicci French, 2012-03-01. The stunning first book in a new series of psychological thrillers introducing an unforgettable London psychotherapist. Frieda Klein is a solitary incisive psychotherapist who spends her sleepless nights walking along the ancient rivers that have been forced underground in modern London. She believes that the world is a messy uncontrollable place but what we can control is what is inside our heads. This attitude is reflected in her own life which is an austere one of refuge, personal integrity and order. The abduction of five year old Matthew Farraday provokes a national outcry and a desperate police hunt. And when his face is splashed over the newspapers Frieda cannot ignore the

coincidence one of her patients has been having dreams in which he has a hunger for a child A red haired child he can describe in perfect detail a child the spitting image of Matthew She finds herself in the center of the investigation serving as the reluctant sidekick of the chief inspector Drawing readers into a haunting world in which the terrors of the mind have spilled over into real life Blue Monday introduces a compelling protagonist and a chilling mystery that will appeal to readers of dark crime fiction and fans of In Treatment and The Killing *Waiting for Wednesday* Nicci French,2014-04-03 The thrilling third novel starring London psychotherapist turned detective Frieda Klein from internationally bestselling author Nicci French Nicci French's Blue Monday and Tuesday's Gone introduced the brilliant yet reclusive psychotherapist Frieda Klein to widespread critical acclaim but *Waiting for Wednesday* promises to be her most haunting case yet Ruth Lennox housewife and mother of three is found dead in a pool of her own blood Detective Chief Inspector Karlsson can't piece together a motive and calls in Frieda hoping her talents will offer a new angle on the case When it emerges that the mother was hiding a scandalous secret her family closes ranks Frieda herself is distracted still reeling from an attempt on her life and struggling with her own rare feelings of vulnerability Then a patient's chance remark sends Frieda down a dangerous path that seems to lead to a serial killer who's long escaped detection Is Frieda getting closer to unraveling either case Or is she just the victim of her own paranoid fragile mind Because as Frieda knows every step closer to a killer is one more step into a darkness from which there may be no return Flawlessly executed *Waiting for Wednesday* is a penetrating twisted novel of murder and neurosis with a jaw dropping climax that will linger in readers' minds long after they have turned the last page
