you're the type of person who wants to be financially free live a life without having to work another day in your life i.e. make millions. Whatever the goal is small or big the possibilities are there. When I first got into investing I struggled a lot. After years of frustration disappointment embarrassment and on one occasion 17739 in debt I know it can be tough. It got to the point where I just thought that I wasn't made for it and of course as 99.9% of the population I started making excuses. You're probably familiar with some of them. It's too late to get started. I don't have enough money to invest. I don't have enough time. The excuses are endless. Companies keep growing. Most millionaire investors started from nothing a few were born into wealthy families. You have the same 24 hours as everyone else. The upside is that even if you have made these excuses before you can succeed now. It's just up to you to take the initiative. In this book you'll discover some of the following: Proven Strategies to Use when Investing in Stocks, Value Investing, Growth Investing, Income Investing, Short Selling, Day Trading, Buying on Margin, Fundamental, Technical Analysis, Step by Step, Mutual Funds, ETFs, IPOs, Industry, Company Stock Research, Stock Market Tips, Tricks, Much much more. Needless to say stock market investing can be tough to venture into but it can also be profitable. If you're struggling to decide whether investing is something for you or not this beginner book will help you make that decision. With easy to understand text and well structured chapters you'll be able to read and absorb the contents of this book like a sponge even if you're a complete beginner.
