Fabos,2014-03-31 The media are in a constant state of change accelerated by the recent turn in digital technology The new 2015 update of Media and Culture keeps up with the newest changes unfolding over YouTube Twitter Facebook and other feeds because the speed of today s media stories requires an understanding of the complex connections between media and our culture The 2015 update includes the latest media developments and coverage of the political economic and cultural issues affecting our mass media and culture But the authors go beyond the addition of current events and trends to focus on what these changes mean extending the bridge between media history and the media right now    **Books in Print** ,1994

**Getting Beyond the Facts** Joe L. Kincheloe,2001 Annotation Kincheloe education City U of New York and Brooklyn College believes that social studies education in the U S has gone through 40 years of confusion and is now in critical need of reform In this text he explores how those who believe in and teach about the potentials of democracy can deal with

postmodern American society and the feelings associated with it. Throughout the text the author examines the relationship between teaching social studies and the lessons of the larger social cultural and political realms emphasizing the need for social studies educators to teach within the context of contemporary society.
