Bottleneckers William Mellor, Dick M. Carpenter II, 2016-12-13
 Bottleneckers is a person who advocates for the creation or perpetuation of government regulation particularly an occupational license to restrict entry into his or her occupation thereby accruing an economic advantage without providing a benefit to consumers
 The Left Right and Center all hate them
 powerful special interests that use government power for their own private benefit
 In an era when the Left hates fat cats and the Right despises crony capitalists now there is an artful and memorable one word pejorative they can both get behind
 bottleneckers
 A bottleneckers is anyone who uses government power to limit competition and thereby reap monopoly profits and other benefits
 Bottleneckers work with politicians to constrict competition entrepreneurial innovation and opportunity
 They thereby limit consumer choice drive up consumer prices and they support politicians who willingly overstep the constitutional limits of their powers to create maintain and expand these anticompetitive bottlenecks
 The Institute for Justice's new book Bottleneckers coins a new word in the American lexicon and provides a rich history and well researched examples of bottleneckers in one occupation after another from alcohol distributors to taxicab cartels pointing the way to positive reforms
