**Non-Boring Safe Travel Guide** Elisabeth Sowerbutts, 2012-09-11 Practical Safe Travel Tips and Travel Health Advice Planning on travelling but worried about getting sick Or maybe you're happy to travel but your parents are convinced that you will end up robbed raped and left bleeding in a ditch and suffering from malaria So you want foolproof safe travel solutions Sorry the world does not come with guarantees and the author is not offering any Instead blending humour and

experience she tries to separate the sensational news headlines from the reality of travel. This is not a thick book, it's a concise guide which addresses how to avoid dying out there interspersed with stories from the author's own experience. The author hasn't died yet, so her advice must be worth something. *Why You Shouldn't Buy This Book* Will this book replace your doctor's advice? Nope. Is it useful for a high-profile exec worried about the threat of kidnap? Ahhh, no. Will it entertain and inform the average inexperienced traveller? That's the aim. This book won't give you all the answers, and your parents will probably still worry. But it's a start for anyone looking for safe travel tips and travel health advice. Yup, this is a Non Boring Travel Guide. If you don't have a sense of humour, I suggest you might just want to skip right on by. This is written by a traveller, not a medical professional or even an ex Special Services member. I'm just a gal who travels a lot. After 30 years, I've come down with the odd disease while travelling and faced death on several occasions, but to date, I've survived. Must be doing something right. The Non Boring Safe Travel Guide even has some useful information why visiting your favourite medical professional before you leave home can be a great investment. Mosquitoes and why you should learn to hate them, the number one cause of death of American tourists overseas, hint, it's not a disease. Surviving local transport, how to avoid being a thief magnet on the street, fool proof way to avoid having your valuables stolen overseas. The world is really a much, much safer place than the local news media would have you believe. This realistic guide is designed to inform and encourage you to get out there and really enjoy it.

*Let's Travel the World* Nikki Page, 2023-05-28. Are you new to international travel or simply looking for tips to improve your world travel experience? Bestselling travel author Nikki Page invites you to come and travel the world with her. Join Nikki as she picks an international destination and works out travel logistics.
