Masterpieces in English Literature and Lessons in the English Language for Use in Colleges and Schools Homer Baxter Sprague, 1874 **Masterpieces in English Literature, and Lessons in the English Language, Vol. 1 of 4** Homer Baxter Sprague, 2016-06-28 Excerpt from Masterpieces in English Literature and Lessons in the English Language Vol 1 of 4. With a Brief Statement of the Genealogy of the English Language, Biographical Sketches, Explanatory Notes, Suggestions for Expressive Reading, Methods of Analysis, Etc. In the following work constituting the first series and indeed in each of the subsequent volumes, the object is primarily and chiefly to present for study the masterpieces in English literature, but incidentally the attempt is made to show in the first two volumes something of the philosophy and development of the English language and to awaken an interest in its critical study. In the third volume it is proposed to deduce the principles of rhetoric from the passages examined and arrange them in a system. In the fourth volume the authors will be classified and the whole field of English literature surveyed and a system of logic outlined. In the present series a brief biography is given of each author from whose works a selection is taken; for it is often quite important that we know the man in order to appreciate his book. In each volume much matter is suggested for original compositions. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com.
