

THE SEX GATES

With commentary by Darrell Bain & Jeanine Berry

A woman in a red dress and a man in a white shirt and green pants are walking on a yellow path at night. The woman is on the left, looking back over her shoulder, and the man is on the right, looking forward. They are walking towards the camera. The background is dark with some lights visible.

Masters Of The Sex Gates:

Masters of the Sex Gates Darrell Bain, Jeanine Berry, 2003-04-01 *Masters of the Sex Gates* is the highly anticipated sequel to the mindblowing novel *The Sex Gates*. Earth is changed forever when the Sex Gates arrive. By passing through a gate you can change your sex or cure an incurable illness but each passage carries a price. What will the ultimate price be? Outside the demonstrators shouted and shook their fists. Most of them were convinced there was a trick to successfully making successive passages a trick that we Seconders selfishly kept to ourselves. That made us evil in their eyes. If such a secret did exist it would be extremely valuable. The wealthy would gladly sacrifice a fortune to gain effective immortality. And to make that immortality fun you could change your sex whenever you got bored and enjoy swinging both ways. For a Secorder it was as easy as walking through one of the ubiquitous sex gates. But there was no secret to sell and nothing we could tell this mob would appease it. Neither Rita nor I had any idea why we could pass through the gates safely while others vanished if they made the attempt.

Worlds of the Sex Gates Darrell Bain, Jeanine Berry, 2004-03-01 Book III of the Sex Gates Trilogy. The exciting conclusion to *The Sex Gates* trilogy. The mystery of the sex gates has at last been solved but a horrible dilemma arises. The masters of the sex gates are gone but they have left a potential catastrophe behind. All the people who have gone into gates and disappeared will be coming back including psychopaths, the horribly injured and the very elderly. There is no way to tell in advance what condition they will arrive in other than that their sex will have been reversed. Lee and Rita find a way to use quantum worlds to avoid disgorging all these people back onto an earth that is finally settling down but it involves risks that place his and Rita's life on the line. And just to complicate the problem some of the seconders who are supposed to be helping turn out to have an agenda of their own one which risks the whole human race.
