*Great Russian Fair* Anne L Fitzpatrick,2016-02-24      **The Postcard Collection of the Slavic and Baltic Division,**  
**The New York Public Library** Ol'ga Sidorova,1999      Orthodox Sisters William G. Wagner,2024-07-15 Orthodox Sisters  
explores the relationship between women religion and social cultural and economic change between 1700 and 1935 through  
the experiences of Orthodox convents in Nizhnii Novgorod diocese Focusing primarily on the Convent of the Exaltation of the  
Cross William G Wagner places the women s experiences in the broader context of developments in female monasticism and  
religious life in Russia as well as in Europe and North America over the same period This is the first comprehensive study  
that follows a Russian convent through all the stages of its life from its origins in the eighteenth century to its flourishing at  
the turn of the twentieth century to its resistance to Soviet assault and finally to its rebirth in the 1920s By the late  
nineteenth century the Convent of the Exaltation of the Cross and the other convents and women s religious communities in  
Nizhnii Novgorod diocese constituted a reimagined form of a traditional Orthodox monastic community Wagner shows how  
these nuns and novices adapted to the conditions of emergent modernity in a distinctively Orthodox way When almost  
everything but their communal life work and worship and their sacred spaces had been stripped away and they were subject  
to the socialist state s efforts at subversion the sisters of the Convent of the Exaltation of the Cross and the other convents in  
the diocese created an authentic Christian community that gave their lives a collective meaning In this way they were able to  
lead a rewarding life and survive the early years of Soviet Russia      *Эксперимент* ,2001      *Нижнегородская ярмарка* N.
