No Easy Walk:

Dying for Freedom Jacob Dlamini, 2024-07-09 What happens when death becomes the ultimate marker of one's commitment to one's freedom What happens when the opposite of freedom is not unfreedom but death not slavery but mortality How are we to think of the right to life when a political demand for dignity and honor might be more important than life itself *Dying for Freedom* explores these questions by drawing on archival evidence from South Africa to show how death and conflicting notions of sacrifice dominated the struggle for political equality in that country This political investment in death as a marker of commitment to the anti-apartheid struggle encouraged a masculinist style of politics in which the fight for freedom was seen and understood by many activists as a struggle literally for manhood This investment generated a notion of political sacrifice so absolute that anything less than death was rendered suspect More importantly it resulted in a hierarchy of death whereby some deaths were more important than others and where some deaths could be mourned and others not This highly original account of the necropolitics of the liberation struggle will be of interest to students and scholars throughout the humanities and social sciences and to anyone interested in South Africa **Nelson Mandela** David Elliot Cohen, John D. Battersby, 2009 Includes six historic Mandela speeches *Talking About Freedom* Natasha L. Henry-Dixon, 2012-01-07 Discover the main features of Emancipation Day celebrations learn about the people of African ancestry's struggle for freedom and the victories achieved in the push for equality into the 21st century On August 1 1834 800 000 enslaved Africans in the British colonies including Canada were declared free The story of Emancipation Day a little known part of Canadian history has never been accessible to the teen reader through either the school curriculum or classroom resources despite its significance in the story of Canada *Talking About Freedom* closes this gap by exploring both the background to August 1 commemorations across Canada and the importance of these long established annual celebrations What is the connection between the Caribana festivities in Toronto and emancipation Why are some communities restoring Emancipation Day to their roster of annual events *Talking About Freedom* introduces a range of personalities and happenings through historical facts memorable personal recollections vivid images and detailed narratives Included are connections to the ongoing struggles of people of African ancestry as they seek to achieve equality with insightful links woven across the past present and future *A Fire You Can't Put Out* Andrew M Manis, 1999 This first biography of Fred Shuttlesworth winner of both the 2000 Lillian Smith Award and the 2001 James F Sulzby Jr Award details the fascinating life of the controversial preacher who led integration efforts in Birmingham with the courage and fervor of a religious crusader **Internal Frontiers** Jon Soske, 2017-12-01 In this ambitious new history of the anti-apartheid struggle Jon Soske places India and the Indian diaspora at the center of the African National Congress's development of an inclusive philosophy of nationalism In so doing Soske combines intellectual political religious urban and gender history to tell a story that is global in reach while remaining grounded in the everyday materiality of life under apartheid Even as Indian

independence provided black South African intellectuals with new models of conceptualizing sovereignty debates over the place of the Indian diaspora in Africa the also colonized other forced a reconsideration of the nation s internal and external boundaries In response to the traumas of Partition and the 1949 Durban Riots a group of thinkers in the ANC centered in the Indian Ocean city of Durban and led by ANC president and Nobel Peace Prize winner Albert Luthuli developed a new philosophy of nationhood that affirmed South Africa s simultaneously heterogeneous and fundamentally African character Internal Frontiers is a major contribution to postcolonial and Indian Ocean studies and charts new ways of writing about African nationalism

Irish Monthly Magazine ,1927 **The Slaughterhouse Cases** Ronald M. Labbé,Jonathan Lurie,2003 The rough and tumble world of nineteenth century New Orleans was a sanitation night mare with the city s many slaughterhouses dumping animal remains into neighboring backwaters When Louisiana finally authorized a monopoly slaughterhouse to bring about sanitation reform many butchers felt disenfranchised from their livelihoods Framing their case as an infringement of fundamental rights protected by the new amendment they flooded the lower courts with nearly 300 suits The surviving cases that reached the U S Supreme Court pitted the butchers right to labor against the state s police power to regulate public health The result was a controversial and long debated decision that for the first time addressed the meaning the import of the Fourteenth Amendment
