An Other Place Darren Dash,2016-12-01  
Get ready to enter the dark disturbing waters of a dystopian sci fi world in this widely praised mind bending trip to An Other Place where time and space are fluid where the moon changes colour and savage beasts run wild where teeth are used as currency and love making is a perilous proposition where cannibalism occasionally comes into fashion and the dead are swiftly forgotten where strange sandmen offer sanctuary in times of danger and a mysterious Alchemist rules over all When Newman Riplan s flight into the unknown turns into a nightmarish slide between worlds he must explore an unnamed city where unpredictable terrors are the norm By the end of his first day adrift his life has spun completely out of his control but the most mind twisting and soul crushing revelations are only beginning As he desperately searches for meaning and a way out he starts to realise that perhaps only madness can provide him with the answers while surrender might offer him his only true hope of escape REVIEWS This is by far the best book of 2016 possibly the best book of this decade the illegitimate love child of Kafka and Rod Serling throwing in a dash of Ray Bradbury for good measure 5 5 brilliant Just brilliant Kelly Smith Reviews An Other Place sees an imaginative writer at the top of his craft It brings to mind The Twilight Zone yet even Rod Serling himself would have struggled to come up with an alternate world so completely off the wall and yet oddly meaningful as Dash has here 9 10 stars Starburst Darren Dash has opened a new artery of terror unlike any book I have ever read hints of The Twilight Zone Pines and Station Eleven The Literary Connoisseur Its luckless hero moves from ghastly scenarios to even ghastlier scenarios with such horrid reliability that his story reads like extreme black comedy 4 5 stars SFX Lewis Carroll L Frank Baum and Brett Easton Ellis may have written some weird stuff but An Other Place tops all of it both in terms of re readability and overall scope Dread Central This book really did blow my mind each page turn was both chilling and thrilling in equal measure the conclusion left me with goosebumps 5 5 Rachel Hobbs author of Shadow Stained Dash s surreal tale has its share of unsettling moments There s also an abundance of intriguing peculiarities An often baffling tale but its protagonist s wry commentary is undeniably entertaining Kirkus a Recommended Read An Other Place is a deliciously quirky novel that is surreal and powerful in equal measure This is by far Dash s best work to date It is challenging and absurd artistically brave and politically conscious but this abstract painting of a novel is one thing above all else completely original

Books Films Random Lunacy This story had me hooked from the get go an ending that sent my mind into a spin 5 stars  
Reviews And Randomness This book is utterly unique I was amazed at how well Dash could create this baffling world from scratch and draw me into it so completely 5 stars A Place In Which Jessie Writes If Jonathan Swift wrote horror he might have written An Other Place Powerful imaginative and occasionally disturbing An Other Place will linger in the reader's mind long after the last page is turned Safie Maken Finlay author of The Galian Spear

**The Bungle Book** G. V. Loewen, 2015-11-23 The Bungle Book presents a demythology of six salient concepts central to our modern self understanding The suspects of the self the machine and God as well as the senses of home love and freedom are subjected to an intense analytical scrutiny that is back dropped by the work of Gadamer Heidegger Lingis Midgely and other critical voices Book ended by a detailed introduction that asks us to unexpect the expected and a conclusion that suggests that we need to stop compulsively making sense of living on in order to become more sensible about its human ambiguities The Bungle Book will be of interest to any who take seriously the contemporary challenge of a global and interconnected existence
