No Time For Heroes:

No Time for Heroes Brian Freemantle, 2011-09-13 A diplomat's murder reunites Cowley and Danilov in a global search for the killer. There's nothing surprising about the body. The wounds are precise, their meaning clear. The Washington DC cops have seen enough like them to know that they mean a mob hit. And when mobsters kill their own, there's not much the police can do about it. They're prepared to dismiss the case when someone looks at the dead man's ID. He was Russian and a diplomat. William Cowley, the head of the FBI's Russian office, takes on the case. A year earlier he had solved a strange killing with the help of Dimitri Danilov, a Russian cop with a sense of honor rare in the lawless post-Communist world. Now they rejoin forces embarking on an around-the-world search for the meaning of the diplomat's death. This ebook features an illustrated biography of Brian Freemantle including rare photos from the author's personal collection. *No Time for Heroes* is the second book in the Cowley and Danilov Thrillers, but you may enjoy reading the series in any order. *Brother Rook and I* Brother Rook, 2008-11 This book is one man's journey through rebirth, self-discovery, love, pain, and growth. It is nothing profound, however, it is simple poetry written mostly in verse utilizing play on words and conveying messages and lessons learned. My friends that have seen bits and pieces of this book have smiled, laughed, and some have been moved. My favorite description that I've heard most often is "cute." This book is written mostly about me and subjects and people that have touched and tested me. I believe I'm an interesting person and that my life has been also. This book has been compiled over the years and people have always requested copies of individual pieces. I have been prompted by many to publish my work so I thought others may enjoy seeing my poetry through my eyes also. I believe this book is insightful and that old school would describe it as deep. This book will not be a best seller, however, it most certainly will be an enjoyable experience. Please come meet Brother Rook and I and see for yourself. *Poetry through my Eyes* I was born Edward Carl Colding to the birth parents Father Robert L. Colding originally from Tampa, Florida and Mother Verna Catanch Colding originally from Ahoskie, North Carolina. I was born and raised in the concrete jungle of West Philadelphia. I was always your average young boy that was exposed to more drama than I could comprehend, very similar to the fictional character Preach in the movie *Cooley High*. I worked hard and finally freed myself of my many complexes and I developed an alter ego that I call Brother Rook. In three years in and out of the classrooms of Overbrook Senior High School, I moved from feeling unworthy and being a young boy to making a place for myself, proving I belong, and in the process becoming an old man practically overnight. I erased my square, dull points by becoming a well-rounded 20-year veteran of The United States Air Force. I dealt with many different types of people and traveled half way around the world which sharpened my senses and gave me a passion for life. Once in grade school in the auditorium, I was assigned to recite the poem *Trees* by Joyce Kilmer. Like many kids, I froze even though I knew that poem like the back of my hand. I'll never forget that day or that poem. From that day to this, I have loved to express myself in poetry and I enjoy an audience because poems are written by fools like me, but only GOD can make a Tree. **Exits and Entrances**
