and Mike they become high school sweethearts and fall in love Shortly after graduation they flee their small town to start afresh Now thirty somethings they are living a rarified life in their multi million dollar Washington D C home Julia is a highly sought after party planner while Michael has just sold his wildly successful flavored water company for 70 million But one day Michael collapses in his office Four minutes and eight seconds after his cardiac arrest a portable defibrillator jump starts his heart But in those lost minutes he becomes a different man Money is meaningless to him and he wants to give it all away Julia who sees bits of her life reflected in scenes from the world s great operas is now facing with a choice she never anticipated Should she should walk away from the man she once adored but who truthfully became a stranger to her long before this pronouncement or give in to her husband s pleas for a second chance and a promise of a poorer but happier life As wry and engaging as her debut but with quiet depth and newfound maturity Skipping a Beat is an unforgettable portrait of a marriage whose glamorous surface belies the complications and betrayals beneath
