H. Travis,2003 Many people today are discovering in the Bible the message which brings them closer to Christ the giver of
life in all its fullness But do they really understand what they are reading In writing this book Stephen Travis has tried to
imagine people getting involved in Bible reading groups perhaps for the first time and sets out what he would want to share
with them if they were generous enough to give him nine or ten weekly sessions to explain how the New Testament may be
approached There are difficulties in understanding most books especially an ancient book such as the New Testament but
rather than concentrate on the difficulties to be overcome before starting the author offers straightforward encouragement
to those who want to learn directly by reading the New Testament itself He tackles such questions as understanding the
Gospels and Epistles and the relevance of the New Testament to Christian belief spirituality and behaviour At the end of the
book are suggestions about basic helps to Bible study STEPHEN H TRAVIS is Vice Principal of St John s College in

Purpose and Destiny where the purpose of a thing is not known abuse is inevitable For months after I became born again I felt somehow incomplete The bliss I was promised was not there and I was too much of a self realist to pretend to myself or anybody else for that matter that everything was all right My limited experience in the world of born again believers up to that time has been limited to leading me to Christ and the eternal salvation of my soul However once I found Christ nobody told me what I am supposed to do here on earth other than living holy and guarding my salvation with fear and trembling before I will finally receive the keys to my mansion in heaven when I die **What God Has Joined Together** Larry Adams Ed D,2023-05-09 In this book I attempt to re examine relationships in light of scripture for the purpose of revealing some misunderstood truth about relationships I hope to provide the reader with a view of Relationship in light of how God would have us view it from a spiritual perspective A relationship is the process of becoming one in unity with each other It cannot be done by man alone even as a world view A healthy relationship is a spiritual relationship We need to look deeper into the word of God for understanding what God has joined together not just in marriage but in our entire lives In our society today we want to take what God has created and make it work our way When it comes to a relationship we selfishly replace that responsibility with our personal desires We are expecting the relationship to work under our control and understanding giving no thought to the fact we really have no foundation for that relationship to stand Even in considering the things that are most valuable to us in a relationship the appearance personality character money sex or even intelligence are not foundations for a relationship They may be valuable to us but not enough to base our lives on They are not even stable themselves because nothing stays the same but God When we have our own values and put them in the place of righteousness we will never be able to see or understand the truth Our feelings and our values combined are a deadly combination for making decisions morally or ethically if not guided by the principles of God Therefore In a Relationship we should consider a required commitment with the understanding of what that means spiritually and physically A relationship must be about oneness and with love In order to understand a relationship we need to understand God s will for our lives
