**Without Amen** K.T. Clown, 2017-05-02 May 4 of this year marked the forty sixth anniversary of the Kent State Massacre On May 4 1970 four students were shot and killed and eight were wounded by the Ohio National Guard The students were demonstrating against the expansion of the Vietnam War

in Cambodia The guardsmen were under orders to take cover and return fire on the unarmed students The guardsmen said there was a sniper and the students said there wasn't one So after a full minute volley of rifle fire four unarmed students lay dead in their own blood Yet to my knowledge there was no mention of that anniversary on any media How on God's green earth are we supposed to learn from our history if we aren't aware of it Kissy remembers because he wants to He believes that where we are going should be in the shadow of where we have been Kissy doesn't think we should be told how to think Without Amen is an honest approach to life through the eyes of a clown where this country has been and where Kissy has been His views are not for light reading and usually not politically correct His insight into family friends and his faith in God are offensive to some and important to others I have learned much from Kissy's unique approach to life You might agree with him or you might not He just hopes you will be less afraid to think outside of the box My Life Back Movement Shane W. Kervin, 2021-02-01 Not to disrespect the many great works of art in books by authors for centuries but other than the Bible for those who believe never in my lifetime have I ever seen or read a more powerful life changing tool This work of art specializes in using easy ways to remember what you've learned This book which is much much more brings to light the darkness that has blinded the eyes of the masses for centuries It exposes the broken human the money racket that AFFECTS US ALL and YOU AS WELL The goal is to bring about awareness and present real rehabilitation that can and will change the lives of anyone held captive not knowing their true purpose in life from the inmate to the depressed from the gluttonous to those plagued by chaos anger or anything else that has been given power over the hearts and minds of men and women since the beginning of time THIS BOOK IS A MUST READ *Guilderoy Ouida*, 1889 **Childhood, boyhood, youth** graf Leo Tolstoy, 1899 **All the Year Round**, 1894 **The Drama of Transition** Isaac Goldberg, 1922 **Publications** Gorges Society, Portland, Me, 1885 *International Conciliation*, 1921 **The Lock and Key Library: French novels.
