No Second Spring:

Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board, 2015 *An Interpretation of Jane Austen's Mansfield Park* Jean S Kelly, 2021-07-26 Mansfield Park is in essence a tapestry of allusions to various works of literature and events in history to which Jane Austen left abundant clues This book is about finding and interpreting those clues Works of literature alluded to include among others Spenser's *The Faerie Queene* Dante's *Inferno* and Milton's *Paradise Lost* Events in history alluded to include the slavery issue of Jane Austen's day the American Revolution the Battle of Actium the Battle of Trafalgar and the then looming War of 1812 *Coleridge and Wordsworth* Paul Magnuson, 2014-07-14 Paul Magnuson contends that the relationship between Coleridge's and Wordsworth's poetry is so complex that a new criticism is required to trace its intricacies This book demonstrates that their poems may be read as parts of a single evolving whole a dialogue in which the works of one are responses to and rewritings of those of the other Professor Magnuson discloses this dialogue as a joint canon or sequence which includes the complete early versions of poems as well as fragments canceled drafts and poems in progress He further shows that this sequence is based on lyric structure the relations among its poems and fragments resemble those among stanzas in an ode and individual poems take their significance from their surrounding contexts in the dialogue Coleridge's and Wordsworth's poetic conversation arose from their recognition that their themes and styles were similar There were as one of Coleridge's friends said fears of amalgamation and it was actually from their failed attempts to collaborate on individual works that their dialogue began The first chapter of the book elaborates a dialogic methodology and the following chapters discuss the dialogic relationship between Wordsworth's *Salisbury Plain* poems and *The Ancient Mariner* *The Ruined Cottage* and Coleridge's *Christabel* Coleridge's *Conversation Poems* and Wordsworth's *Tintern Abbey* Wordsworth's *Goslar* poetry of 1798 *Home at Grasmere* and *Lyrical Ballads* 1800 and the dejection dialogue of 1802 Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Eighteen Hundred and Eleven E. J. Clery, 2017-06-09 In 1811 England was on the brink of economic collapse and revolution The veteran poet and campaigner Anna Letitia Barbauld published a prophecy of the British nation reduced to ruins by its refusal to end the interminable war with France titled *Eighteen Hundred and Eleven* Combining ground breaking historical research with incisive textual analysis this new study dispels the myth surrounding the hostile reception of the poem and takes a striking episode in Romantic era culture as the basis for exploring poetry as a medium of political protest Clery examines the issues at stake from the nature of patriotism to the threat to public credit and throws new light on the

views and activities of a wide range of writers including radical loyalist and dissenting journalists Coleridge Wordsworth Southey and Barbauld herself Putting a woman writer at the centre of the enquiry opens up a revised perspective on the politics of Romanticism The Athenaeum ,1915 *The Poems of Andrew Lang* John Sloan,2025-05-30 Andrew Lang 1844 1912 made his name in the last quarter of the Victorian era in a remarkable number of literary and intellectual fields as popular poet influential literary critic editor of the classic series of Fairy Books for the young and as author of groundbreaking books on anthropology Homeric scholarship folklore and history This is the first annotated edition of Lang s poems bringing together his books of verse and over 150 additional poems many of them collected for the first time John Sloan s introduction provides a compelling account of Lang s achievements as a poet whose first two books of verse Ballads and Lyrics of Old France and Ballades in Blue China were a harbinger of the English aesthetic movement Lang helped to create an abiding interest in French poetry and to encourage a new spirit of literary cosmopolitanism in England He also widened the appeal of poetry in an age of new knowledge advancing literacy and the growth of the popular press The authoritative text is accompanied by extensive notes identifying important allusions and significant connections between the poems and Lang s other writings In the headnote to each poem the reader will find a record of publication history textual variants and sources including details of the original sources of Lang s verse translations from the French Greek and Latin The edition offers an invaluable guide to the study of Lang s poetry for students and scholars of nineteenth century British poetry **Lyric Forms from France** Helen Louise Cohen,1922 **Chambers's Cyclopaedia of English Literature** Robert Chambers,1902 *Franciscan Annals* ,1883 **The Electrical Engineer** ,1891 *Official Gazette of the United States Patent and Trademark Office* ,1994 **Baily's Magazine of Sports and Pastimes** ,1907 Minor Poets of the Caroline Period ...: John Cleveland: Poems.
