

God Entrusts the Task of Building the Ark to Noah

God wanted to clean the earth of all the corruption and violence by destroying everyone and everything he created. God decided to spare Noah and his family, so that he could continue on. Noah was instructed to build an ark that takes one pair of each animal with him and food to eat.

Noah Builds the Ark

God gives Noah the necessary information to build the Ark including the size, layout, and the right building materials. God designed the ark to be strong and to stay afloat. Noah begins constructing the ark.

God Gathers the Animals and Brings Them to Noah

God gathers pairs of every kind of animals, male and female, and brings them to the ark to be kept alive. The way God gathered the animals was by giving them the ability to sense danger and moving them to a place of safety.

God Tells Noah That It is Going to Rain For 40 Days and Nights

The ark was large enough for all the animals God had sent Noah along with his family and all the food and supplies needed for the long journey. God told Noah that there would be rain for 40 days and nights.

There Was Rain For 150 Days

God made it rain for 150 days. During those days, Noah and his family cared for the animals on the ark everyday as part of their daily chores until it was safe to go back into the world.

God Blessed Noah

God blessed Noah for obeying his commandments in return. God gave Noah everlasting food, green plants and anything he wanted. The animals would breed and multiply, life on earth would be peaceful and there would always be happiness.

Noah's Ark Boards:

On Noah's Ark Jan Brett, 2003-09-29 Jan Brett's intricate illustrations make a stunning picture book of a favorite story this time featuring Noah's granddaughter. As the floodwaters rise she helps take the animals onto the ark and get them settled down. But it's not easy when giraffes are sleeping next to pandas and lions are curled up with turkeys. Finally the gentle rocking of the ark lulls them all to sleep until the waters recede and Grandpa Noah, his family, and all the animals leave the ark. This simple telling combined with extraordinary illustrations of every animal imaginable makes *On Noah's Ark* perfect for young and old.

His survival instincts tell him to stow away. But will he be discovered by the old man, and will they ever see dry land again? This Oversized Padded Board Book Edition of *A Stowaway on Noah's Ark* features a beautifully designed oversized and padded board book.
