Seven Transforming Gifts of Menopause Cheryl Bridges Johns, 2020-03-17 Menopause is a dramatic but largely overlooked developmental window to the second half of life Although today's women are more aware of and actively involved in mapping their menopausal journey than generations before many still do not see menopause as a time of important psychological and spiritual transformation This book goes far beyond hot flashes and gets to the very heart of the midlife journey helping women find their unique voice and speak their truth in an era of MeToo and ChurchToo Coming alongside readers as a wise spiritual guide pastor and theologian Cheryl Bridges Johns identifies seven key developmental tasks of menopause and gives practical ways women can embrace each one She encourages women to view these tasks as gifts as they experience the remarkable physical emotional and spiritual transformation that occurs in this stage of life Written in a warm and conversational tone this book helps women chart a course for the future leading them to a renewed sense of identity a more focused vision for life and a deeper spirituality Each chapter includes guided questions for personal reflection and study questions for group discussion

No Ordinary Princess Amanda Almond, 2018-12-05 Once upon a time in a far away land there lived a kindhearted beautiful princess Like most of the princesses you have read about this princess was talented smart and loved by all Though very similar she had a unique quality that made her stand out from the rest Join Princess Sheenagh in this incredible journey as she bravely takes her second set of first steps

Royalty in Twenty-First Century Children's and Young Adult Literature Amie A. Doughty, 2023-11-15 Doughty examines contemporary children's and young adult YA literature featuring royal characters through a folkloric lens and shows different ways authors transform the traditional royal characters from folktales and Disney films She shows how princes and princesses are more progressive than their predecessors through expanding gender roles She also demonstrates how different types of abdication work to transform readers' expectations of royals and how they reach a happy ending different from traditional folktales and Disney Finally employing Rudine Sims Bishop's ideas about mirrors windows and sliding glass doors she explores how queer royals

and royals of color offer new mirrors for children and young adults Each chapter presents a typology of royal books related to the topic and explains how they work to transform the folktale tradition Doughty concludes with a discussion of the transformational gaps remaining in royal children s and YA literature
