The Century Cook Book Mary Ronald, 2015-06-04 Excerpt from The Century Cook Book With a New Supplement of One Hundred Receipts of Especial Excellence While the question of food and its preparation is the most vital and important one in the home it is perhaps the most difficult of all the material questions that present themselves to the housekeepers in China owing principally to the inability of the majority to speak the language of the country and to make their orders intelligible to the cook To meet this difficulty and at the same time with the hope of being able from its sale to aid the war fund Mrs Calder Marshall originally planned to publish a smaller work giving a limited number of recipes taken from authoritative sources and to have it translated into Chinese It soon became apparent to her however that for such a book to have a real value a more comprehensive work one that should cover as nearly as possible all the phases of cooking would be necessary The scope of the work therefore was enlarged until it now includes more than one thousand recipes Many tried and approved recipes have been furnished by ladies in Shanghai and elsewhere the largest contribution of this kind and one that deserves special mention is that of Mrs J B Fearn M D who has prepared the entire chapter relating to sweets and candies and has sent other valuable recipes as well The editors and compilers have also made use of The Century Cook Book Mrs Beeton s Cook Book and The Boston Cooking School Magazine all well known authorities on culinary matters The recipes embodied in this work are adapted to the limitations of the local market efforts having been made to exclude every recipe the ingredients of which can not be readily procured in China and on the other hand to include some of the food

products of China that are not commonly found in other countries Tables of weights and measures cooking time tables valuable household hints a chapter on Household hygiene etc have been incorporated to supplement the work and make it as far as possible a reliable guide for the housekeeper To new arrivals in China some of the directions given may seem absurd and unnecessary yet it is only by the utmost care and attention to details of cleanliness and the continual enforcement of the rules of sanitation that one may escape those illnesses due to contamination of food that especially beset the resident in the Orient That the proceeds might represent as nearly as possible the entire amount realized from the sale of the work it was decided to incorporate advertisements that would appeal to the housekeeper and it is due to the able assistance of the Harvey Advertising Agency that a part of the cost of printing and publishing has been distributed among many patriotic local firms It is suggested that the housewife will find it worth while to make a study of the advertising in this book before purchasing supplies About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
