Government Few undertakings of my busy life have brought me more pleasure than the group of studies linked together in
this volume They were begun and carried to completion while I was a student at this university and if they possess any value
it is chiefly because of the spirit of original investigation fostered here in every department of knowledge Since I am about to
send this volume to the press I desire with sincere respect and affection to place on record my sense of personal obligations
to President D C Gilman Professor Gildersleeve Professor Paul Haupt Dr H B Adams and Dr Richard Ely of Johns Hopkins to
President W T Reid and Professor Cook of the University of California and to Dr Josiah Royce of Harvard all of whom have
helped me by the loan of pamphlets by advice and by their cordial interest in the undertaking About the Publisher Forgotten
