**The Unwanted Gift of Grief** Tim P Van Duivendyk, 2014-01-02 Learn how to embrace the painful gift of grief and use it for transformation and healing as you journey through the wilderness to a promised life. The Unwanted Gift of Grief is a passionate practical guide through the grieving process for those who have suffered loss and those who suffer with them. Rather than talking people out of their grief and pain as a way to make them feel better, this unique book invites them into the grief and pain as a way to healing, transformation, and hope. Using real and in-depth ministry and counseling conversations, it identifies the journey through the wilderness of grief. This powerful book is equally valuable as a gift from a minister to a grieving person, as a professional guide for ministers and counselors, and as a training tool for lay ministers and congregation members. Built on the ministry concept of sojourning, The Unwanted Gift of Grief offers guidelines to be used in helping people in their journey through the adjustment period that follows a loss, a time that may include the darkness of disbelief, frustration, anger, sadness, depression, and healing light as they make their way through the wilderness of grief. Topics examined in The Unwanted Gift of Grief include grief as gratitude and gift, how family and culture can affect grieving, different pathways through grief, everyone grieves differently, sudden loss, slow losing, rejection, and suicide; identifying the agony and characteristics of depression; grief factors that affect marriage and sexuality; saying Yes to death; factors of faith, science, and miracles; the labor and contractions of dying and death; the hope for healing and cure; how to help the Sojourner's Process Guide the Grief Date; A Guide for Couples; fifty ways to make it through the wilderness; and much more. The Unwanted Gift of Grief is an essential resource for anyone lost in the wilderness of loss and grief, and for professionals, lay ministers, family, and friends who care for them.

*What Not To Say To A Grieving Heart* Alan Griffith, 2019-10-11 Grief is something that we all must deal with at some point in our life. It cannot be escaped by any of us. The Bible tells us that it is appointed unto man once to die. But it is not something that we know how to handle very well, especially when it comes to helping others navigate through everything that comes with it: shock, denial, anger, depression, loneliness, etc. Pastor Alan Griffith pulls from his over thirty years of ministry, as well as the loss of his wife, to help us minister more effectively to those who have lost a loved one and to understand What Not to Say to a Grieving Heart. There are some things that may be true but not helpful, some things that are not true at all, and some things that just should not be said. Sometimes the best way to minister to a grieving heart is to say nothing at all. Most people want to be of some comfort to those who are grieving, but they just don't know what to say or do to make a difference. If you are looking at this book, you are one of those people who want to make a difference in someone's life. This book will help you better minister to those who have experienced a great loss in their life.
