**Hospitality** Freddy James Clark,2007-07-18 The term hospitality describes a state of generosity accommodation and consideration towards others The Shalom Church which views hospitality as a gift seeks not to control the gift but to share and celebrate it in practice When the practice is intentional it will become embedded in one s lifestyle This adherence is reached when one considers hospitality as a biblical and moral obligation where every encounter with the other will be viewed through the lens of hospitableness Fortunately humanity always moves from host stranger to stranger host In Christian theology the giver and receiver are one of equal regard Since there are no permanent positions in life persons are always moving in and out of situations where they sometimes experience being the host and other times the stranger Hospitality becomes the means by which equal regard and moral obligation are exercised Proclamation is the tool that shapes the practice and develops a committed relationship with hospitality

**Being Transformed Through the Ministry of Hospitality** Rev. Anthony Hodge, 2018      A Study of the Ministry of Hospitality, 2012      *The Ministry of Hospitality* Vieda M. Baker, 2016

Many years ago my life revolved around trying to get through crisis after crisis Struggling to survive as a parent in a dysfunctional home my life was catastrophic Then one day a friend from church asked me to come to Bible study That small study of five women opened my eyes to a new world of faith love and charity Out of their love grew the Ministry of Hospitality which became my focus From them I learned the true meaning of giving Whoever serves let it be with the strength that God supplies New American Bible Revised Edition 1 Peter 4 11 Almost immediately I knew this had to happen at home I needed to share this love amenity and care with my family first and then the outside world Let us love one another because love is of God NABRE 1John 4 7 Biblical study created an open and welcoming space for love It created a new God knowledge This love informed by Bible study created within me a passion for the desire to learn about myself in relation to my personal family and my church family It was from this love that the idea for this thesis project was born Through a focused and pastoral Bible Study a more in depth understanding of biblical relationships can be gleaned Participants in the Ministry of Hospitality Bible study will have an opportunity to examine the roles and relationships of families in antiquity Then through education discussion and erudition caregivers can come to understand how to translate the biblical values into mentoring their households and begin to ameliorate and heal their dysfunction The idea was to create a Ministry of Hospitality based on scripture love and human relationships which had helped me and ultimately aided my family s ongoing healing process This thesis project begins by using select steps of the Historical Critical Method of Scriptural Analysis to explore the life story of Abraham Sarah and their children It culminates in an Adult Faith Formation Vacation Bible School styled Experience It offers a familiar biblical study milieu for a new group adults
