In the foreground on the right side, a single bright yellow flower with green leaves is in focus. The text is overlaid on the left side of the image.

## Ministry With The Divorced:

Ministry with the Divorced Peter R. Monkres, 1985      *Ministry to the Divorced* Sue Poorman Richards, Stanley Hagemeyer, 1986      Ministry & Divorce Rev. C. Randall Collins, Sr., 2011-08-25 What a joy it is to be able to write what I hope will be a great help to many men and women who are devout Christians and yet feel they cannot serve the Lord in a specific calling such as a Pastor or Deacon I hope that this book will help answer some questions and allow the Lord to work in your life as He has in mine I would like to sincerely thank the Lord Jesus Christ for placing the calling in my life and the verse that comes to mind is 1st Timothy 1 12 I thank Christ Jesus our Lord who hath enabled me for that he counted me faithful putting me in the ministry You see its all about Jesus using you I would like to thank my wife Martha my children and all my family for their support in this calling upon our lives For it not only affects me but it affects the entire family My prayer is that God will allow this book to encourage and help others as they deal with this matter in their own lives May God bless and use you in the wonderful service of our Lord and Savior Jesus Christ Randall Collins      *The Ministry to the Divorced* Joseph E. Norris, 1990-07-01 Practical effective help for parish ministers this series offers consistent proper and inexpensive training on the ministries in the Church      **"The Church's Ministry to the Divorced"** Vivian Riley Shipman, 1999      Disqualified? Dave Miller, 2015-11-10 The church once spoke with unanimity on the subject of divorce remarriage and ministry All divorce was sin remarriage was always wrong and the divorced were excluded not only from all forms of ministry but too often from the fellowship of the church as well But the breakdown of the home has forced churches to confront the issue again and ask whether our traditional understanding actually reflects the biblical teaching Pastor Dave Miller has been studying this issue since a seminary assignment forced him to delve into the topic That research paper became a Bible study for his churches and eventually a series of active blogposts at SBC Voices where he is the editor This book is the result of that study He believes that the traditional view does not accurately reflect the biblical truth on the subject He views the Bible s teaching as a progressive but unified revelation of God s will about marriage and divorce The book begins by examining the two truths that set the cornerstone for the Scriptural revelation on the subject God intended marriage to be a lifelong covenant between a man and a woman But sin broke the ideal God intended The hardness of man s heart led to the breaking of that covenant In Deuteronomy 24 1 4 Moses laid the foundation on that cornerstone establishing that divorce required moral grounds instead of being simply at the whim of capricious men Jesus built the structure reemphasizing the intent of God for marriage to be permanent and sacred but also granting an exception on the basis of adultery Paul put the finishing touches on the structure in 1 Corinthians 7 adding a second exception for abandonment and other specific teachings He also explores the question about how the church should handle abuse and whether abuse justifies divorce After developing this full revelation of biblical truth on divorce and remarriage the book turns to church issues addressing the controversial topic of whether divorced men are eligible to serve as pastors elders or deacons in the church

Beginning with a study of the phrase husband of one wife in 1 Timothy 3 and Titus 1 Pastor Miller explores tough questions the church needs to address He then gives specific advice both to those who are divorced and frustrated at their place in the church and to the church as to how it should minister to the divorced and deal with these issues There is no way we can avoid this discussion and this book's intent is to engage the issue and inspire the church not only to talk about the issue but more importantly to delve into God's word and seek to understand what the Bible actually says about divorce remarriage and ministry

**The Children of Divorce** Andrew Root, 2010-08 A recognized authority on youth ministry explores from a theological and spiritual standpoint the baffling sense of loss of self experienced by children of divorce
