Based on the simple idea that the reason we gain weight is because we cannot control food cravings, this programme alters our body's biochemistry so that we don't crave sugary, fatty foods. In just five days, Adele Puhn teaches you how to control these cravings by learning to eat certain foods at certain times. You begin the morning in low blood sugar; by noon you have raised your blood sugar level throughout the afternoon and evening, you will maintain it. The result is that you will not only lose weight but you will have more energy than you have ever had before. The New 5 Day Miracle Diet is a diet that really works. Try it today and change your life for ever. **5 Day Miracle Diet** Adele Puhn, 1998-07-13 **The Miracle Diet** Phoebe Lauren, 2015-07-06 In this book you will discover the Miracle Diet: how to have more positive thoughts about yourself and others; how to stop carrying around the excess baggage of your unforgiven past; and how to look upon yourself with grace, appreciation and love. You may lose weight and you may not, but that is irrelevant. What's important is that you have clarity of mind and let go of the toxic waste that the media and everyone else has been feeding you. Really, would you rather be a faultfinder or a love finder? This shift in perception is what makes this diet a miracle. Self acceptance, forgiveness, a shift in perception, affirming the good in yourself and others: these are the things you'll find in this book.
