Mirage Of The Ages A Critique Of Christianity:

Mirage of the Ages Andrew Tomas,1983-10-01 *The Journal of Critical Analysis* ,1979 A Secular Age Charles Taylor,2007-09-20 The place of religion in society has changed profoundly in the last few centuries particularly in the West In what will be a defining book for our time Taylor takes up the question of what these changes mean and what precisely happens when a society becomes one in which faith is only one human possibility among others Religious Difference in a Secular Age Saba Mahmood,2015-11-03 How secular governance in the Middle East is making life worse not better for religious minorities The plight of religious minorities in the Middle East is often attributed to the failure of secularism to take root in the region Religious Difference in a Secular Age challenges this assessment by examining four cornerstones of secularism political and civil equality minority rights religious freedom and the legal separation of private and public domains Drawing on her extensive fieldwork in Egypt with Coptic Orthodox Christians and Bahais religious minorities in a predominantly Muslim country Saba Mahmood shows how modern secular governance has exacerbated religious tensions and inequalities rather than reduced them Tracing the historical career of secular legal concepts in the colonial and postcolonial Middle East she explores how contradictions at the very heart of political secularism have aggravated and amplified existing forms of Islamic hierarchy bringing minority relations in Egypt to a new historical impasse Through a close examination of Egyptian court cases and constitutional debates about minority rights conflicts around family law and controversies over freedom of expression Mahmood invites us to reflect on the entwined histories of secularism in the Middle East and Europe A provocative work of scholarship Religious Difference in a Secular Age challenges us to rethink the promise and limits of the secular ideal of religious equality
