Miscellaneous Essays and Addresses Henry SIDGWICK, 1940 **Miscellaneous Essays and Addresses** William Stirling Maxwell, 1891 Miscellaneous Essays and Addresses William Stirling Maxwell, 1841 *Miscellaneous Essays and Addresses (Classic Reprint)* Henry Sidgwick, 2015-07-02

Excerpt from *Miscellaneous Essays and Addresses* Henry Sidgwick had long intended to collect together essay Band addresses written by him at different times and some essays on ethical subjects he had published under the title of *Practical Ethics* in the *Ethical Library* series Swan Sonnenschein and Co in 1898 The volume now published contains miscellaneous essays on other subjects Several of them were specified by the author during the last few weeks of his life as suitable for such a collection though with some hesitation in one or two cases After due consideration all the papers that he named have been included and we have added a few others which seemed likely to be of interest to the general reader We have not included any of the papers published in *Mind* some of them will appear more appropriately along with some hitherto unpublished philosophical lectures in a volume which is being edited by Professor James Ward It will be seen that the papers fall mostly into three divisions according as they deal with literature economics and sociology or education and it seemed best to arrange them within the limits of each division in chronological order About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
