Nea Trojan Horse In American Education:

NEA, Trojan Horse in American Education Samuel L. Blumenfeld,1984 *The how and why of Home Schooling* Ray E. Ballmann,Ray Ballmann,1995 Printed boldly on the back of the United States currency is the motto In God We Trust We have seen it so often that it may have lost its meaning to us But found in these words is the secret to national and personal greatness Webster s Dictionary defines the word trust as a firm belief or confidence in the honesty integrity reliability and justice of another person or thing When our founding fathers put their names to the Declaration of Independence they believed that God was the only sure foundation upon which to build a nation that would endure These men knew that this unique experiment in freedom would only stand the test of time by God s grace George Washington stated it simply It is impossible to rightly govern the world without God and the Bible Reliance upon God was deeply rooted in our country s important documents and institutions from the beginning But today confidence in God and His Word is no longer the foundation of society In our schools the God of Creation has been replaced by the god of evolutionary chance Truth has been replaced by relativism Morality has been replaced by expediency In our homes we nightly view things that were unimaginable on television and in movies only a decade ago Violence sexual perversion and obscene language spill off the screen In the political arena God s principles of truth and justice have often given way to expedience personal profit and compromise As we have departed from God life has been devalued The lives of unborn children are snuffed out in abortion clinics and the number of robberies rapes and murders increase daily It is time that we return to the values of God s Word in our public and private lives so that He will heal our land We must begin person by person on our knees confessing our failure to trust God fully in our lives Today you can affirm your trust in God if you will Acknowledge that you need salvation The Bible says All have sinned and come short of the glory of God Romans 3 23 Recognize God s love for you God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life John 3 16 Receive Jesus and His forgiveness the only basis for encountering God As many as received Him Jesus to them gave He power to become the sons of God even to them that believe on His name John 1 12 God is calling you to put your trust in Him today Don t ignore His call **Illiteracy in America** United States. Congress. House. Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education,1986 *The Long War Against God* Henry Morris, Henry Madison Morris,2000 *The History and Impact of the Creation Evolution Conflict* **The Ruling Elite** Deanna Spingola,2012-06-15 The U S government complicit with the well connected corporations since the so called Civil War continues to wage war and destruction Lincolns revolutionary war supported by Marx and Engels caused at least 618 222 and perhaps as many as 700 000 deaths including about 50 000 Confederate civilians Soldiers who were fighting dying and killing during that war were in training for future wars If Americans could kill fellow citizens then they would use force against foreign citizens in behalf of the government That war foreshadowed the devastating global warfare that followed with

the Spanish American War two World Wars Korea Vietnam the First Gulf War and the current wars in the Middle East They do not include the bombings in the Baltic and elsewhere or the CIAs covert warfare wherein millions of people died In the First World War soldiers killed 9 911 000 people in action and wounded 21 219 500 people while 7 750 000 people were missing in action for a total of 38 880 500 In the Second World War there were over 24 000 000 military deaths and 49 000 000 civilian deaths totaling 73 000 000 deaths not including the number of wounded or missing That is 82 911 000 deaths in two world wars The real question is WHY Tax-funded Politics James T. Bennett,2017-12-02 The past two decades have seen the growth of well coordinated networks of political activists who have managed to obtain hundreds of millions of taxpayers dollars for political lobbying Although federal regulations prohibit such activities loopholes in the law allow these monies to be masked as private resources State and federal taxpayers monies fund the lobbying efforts of private advocacy groups on both the political left and the right In Tax Funded Politics James Bennett argues that governmental agencies rather than combating theses abuses aid and abet them in order to increase their own size and scope Drawing on a broad range of examples Bennett shows how the ideals of the nation s Founding Fathers have been subverted by molding and manipulating the will of the people through government orchestrated propaganda Government agencies far from being indifferent to self aggrandizement and the consolidation of wealth and power are concerned with their own self interest whether it is enhancing their budget or supporting a particular political agenda Likewise nonprofit entities claim to operate solely in the public interest but also engage in political advocacy and lobbying activities But when charities do the lobbying blatant self interest is wrapped in the halo of the public interest Tax Funded Politics exposes dozens of mutually beneficial arrangements between government and charities involving hundreds of millions of dollars It then explores their implications Groups that receive government funds are loath to criticize failed government programs and are advocates for the expansion of the agencies that provide their support Even charities learn not to bite the hand that feeds them Although the vast majority of the funds are directed to nonprofit groups on the left of the political spectrum so called conservative organizations have also sought and received taxpayers funds despite promise to get g **Homosexuality** F.
